

It runs on pure electric power  
under 25 mph  
for (a lot) less stops at the pump.  
It is easy being green

**'07 Escape Hybrid**

It's not only 100% SUV.

It's 100% hybrid.

Which means it's the most  
fuel-efficient SUV out there.

36 mpg to be exact.

And by living up to that standard,  
we created a higher one.

'07 Escape Hybrid

Thanks to front-wheel- or 4-wheel-drive capability, Escape Hybrid gets you here, there, anywhere. But when you're stopped at a light or caught in the rush hour shuffle, it burns electric power instead of fuel. Which helps it meet California's strict Advanced Technology Partial Zero Emissions Vehicle (AT-PZEV) standards by achieving Super Ultra Low Emission Vehicle II (SULEV II) standards.\*\* So it's not only easier on the environment. With rising gas prices, it's also looking out for your wallet.

\*EPA estimates 36 city/31 hwy mpg, FWD. Actual mileage will vary. \*\*SULEV II and AT-PZEV are ratings approved by the California Air Resources Board. Vehicles sold in Federal States meet the Environmental Protection Agency's Tier2/Bin (3) emissions standards.

With 500+ miles  
on just one tank,  
it's kind to the world outside.  
But wait until you see what's inside.

### '07 Escape Hybrid

[fordvehicles.com](http://fordvehicles.com)

Available leather-trimmed seating fits five rather comfortably. But there's no doubt that Escape Hybrid is all SUV. Your gear fits comfortably too. Even with the 60/40 split rear seat in use, you (and your passengers) get 27.6 cu. ft. of cargo space. Fold it down and 62.1 cu. ft. opens up the possibilities.

Go on-line to get  
all the specs, options  
and colors available for Escape Hybrid.  
Or, better yet, stop by a dealer  
to see everything firsthand.

\* Starting Manufacturing Retail Price, excluding taxes, title, and registration fees. Optional equipment not included.

\*\*EPA estimated city/highway mpg based on base engine/transmission configuration.

Escape Hybrid was named 2005 North American Truck of the Year at the International Auto Show. Edmunds.com also ranked it the Most Fuel-Efficient SUV for 2006.\* But that's not the only reason to feel good behind the wheel. Now, above and beyond the standard 3-year/36,000-mile limited bumper-to-bumper plan, Escape Hybrid comes with an extended 8-year/100,000-mile limited warranty covering Hybrid components.\*\* And that gives you solid peace of mind for the road ahead.

\*EPA estimates 36 city/31 hwy mpg, FWD. Actual mileage will vary. \*\*Unique Hybrid components covered under the 8-year/100,000-mile limited warranty are high voltage battery (non-California emissions states), eCVT and DC/DC converter. 10-year/150,000-mile limited hybrid battery warranty in CA, ME, MA, NY and VT.
