What do you get
when you mix
best-in-class fuel economy*
with AWD capability?

You get a gas station map.
And a pair of sunglasses.
And you hit the road.

'07 Freestyle Limited

**Freestyle earned
NHTSA's top five-star crash
test rating in all four categories.**

Whether you're tackling the 9-to-5 commute, or heading off on a spontaneous road trip, this crossover's got you covered. Because it combines the things you love about a car with the stuff you need from an SUV. Like 27 mpg,* nimble handling that makes it easy to park and an available All-Wheel-Drive System. Not to mention five star safety in both front and side impacts. Go ahead. Take off.

*EPA estimated 20 city/27 hwy, front wheel drive.

With theater-style seating
for seven passengers
and beyond-flexible cargo space,
your options are open. Way open.

'07 Freestyle Limited

fordvehicles.com

Freestyle's theater-style seating easily folds out of the way for bigger things. And it has more cargo space than Jeep® Grand Cherokee or Chevy TrailBlazer with the second and third rows folded down. Keep the seats in standard position, and you'll still seat up to seven passengers and get 22.5 cu. ft. of cargo space behind the third row.

Go on-line to get
all the specs, options
and colors available for Freestyle.
Or, better yet, stop by a dealer
to see everything firsthand.
