

2016 LINCOLN MKS

In its most coveted form, beauty extends far beyond the surface. Just as it does in MKS. Precisely crafted with exceptional attention to detail, MKS is designed to transform everyday drives into special experiences. Its strong lines impart confidence while conveying grace from every angle. Its chrome accents gleam in the sunlight. As its beauty flows from within, the 2016 Lincoln MKS establishes a commanding presence and creates its own distinctive style of luxury.

**IMAGINE THE JOYFUL EMPOWERMENT OF GOLFING WITH CUSTOM-FIT CLUBS. IT'S A LOT LIKE THAT.**

The elegant simplicity of its controls instantly puts you at ease. Seated at the leather-wrapped heated<sup>1</sup> steering wheel of your new MKS, you'll notice paddle shifters discreetly tucked behind it. They give you the power to put the 6-speed SelectShift<sup>®</sup> automatic transmission through its paces any time you're in the mood for a more spirited drive.

The position of the adjustable<sup>1</sup> brake and accelerator pedals, the sideview mirrors, and the front seats can be set using power controls, then saved to memory for your MKS to recall at the touch of a button.

Providing personalized comfort for you and your front passenger, dual-zone electronic automatic temperature control lets you each set a different preferred temperature. This feature also works in tandem with the Remote Start System to prepare the vehicle for your arrival. MyKey<sup>®</sup> lets you program a key to establish an earlier low-fuel warning and much more. Personalized control. It's yours with MKS.

**ADAPTIVE HID HEADLAMPS**

To provide more visibility when driving around curves, adaptive HID headlamps feature beams that move in the same direction as the steering wheel. Their bright, white light also provides better visibility than conventional halogen lamps. Paired with the convenience of auto high beams, they add an extra measure of ease to your Lincoln MKS.

<sup>1</sup>Available feature.

**BEAUTIFULLY COMFORTING. LINCOLN MKS REJUVENATES.**

Every day is the perfect day for a drive in MKS. Surrounded by the richness of **genuine wood accents**, the gracefully contoured front seats are **heated and cooled** for extra soothing in all sorts of climates. They're also trimmed in **Bridge of Weir™ leather**, which is created using an **organic tanning process**. You may encounter it on fine furniture, ocean liners and jets, too.

To help reduce muscle fatigue in your legs and lower back on longer drives, the **multicontour front seats with Active Motion®<sup>1</sup>** feature massage functionality that utilizes air cushions inside the seat bottoms and seat backs to provide a gentle rolling movement.

For a refined acoustic experience, **active noise control<sup>1</sup>** cancels out unwanted engine sounds by sending opposing sound waves through the audio system – helping increase your enjoyment of conversations, music and other audio entertainment inside MKS.

<sup>1</sup>Available feature.

# INNOVATIVE TECHNOLOGIES

What could be easier than speaking your mind? Our next generation of voice-activated technology – **SYNC® 3** – connects you to the world around you with its straightforward new design and features.<sup>1</sup> Audio, phone, navigation<sup>2</sup> and other functions are concisely presented on the full-color 8" LCD touch screen. Whether you command it using simple, everyday language, or swipe its capacitive touch screen, SYNC 3 delivers high-speed performance. Plus, automatic updates over Wi-Fi<sup>3</sup> help keep it running at its best, so you can keep your eyes on the road and hands on the wheel.

## | SYNC

### SYNC 3

Place and answer calls, and control music from your USB device or smartphone, all with simple voice commands. New seamless integration with Siri<sup>®</sup> Eyes Free brings the power of your iPhone<sup>®</sup> into your vehicle. The Navigation System<sup>2</sup> features maps with pinch-to-zoom capability, makes it easy to enter your destination, find the closest ski resort or golf course, and so much more. SYNC AppLink<sup>™4</sup> lets you control compatible mobile apps by voice, too.

## ((SiriusXM))

### SIRIUSXM SATELLITE RADIO

Welcome to the World of SiriusXM<sup>®5</sup> Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You can also listen online and on the SiriusXM app.<sup>5</sup> The Navigation System<sup>2</sup> includes a 6-year prepaid SiriusXM Traffic and Travel Link<sup>®5</sup> subscription – the longest of any automobile manufacturer<sup>6</sup> – that gives you detailed traffic and weather information, gas station locations and prices, sports scores and much more.

## THX

### THX II CERTIFIED AUDIO SYSTEM

Give yourself and every passenger a front-row seat to the concert with the THX<sup>®</sup> II Certified Audio System.<sup>2</sup> It features specialized sound processing technology combined with 700 watts of power running through 16 speakers to bring the feel of a live show to your everyday commute.

## HD Radio<sup>®</sup> Digital AM & FM

### HD RADIO TECHNOLOGY

Get more of your favorite music with HD Radio<sup>™</sup> Technology.<sup>2</sup> By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. Plus, it can display on-screen information such as artist, song title, album name and more. And it delivers it all without the need for a subscription.

<sup>1</sup>Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates apply. <sup>2</sup>Available feature. <sup>3</sup>Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. <sup>4</sup>SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. <sup>5</sup>SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at [www.siriusxm.com](http://www.siriusxm.com). <sup>6</sup>Source: February 2015 analysis of satellite data service offers by SiriusXM to full-line luxury brand vehicles offered in the U.S.A.

Many a driver has gone around the block just to avoid parallel parking. **Active park assist**<sup>1,2</sup> can help take the guesswork – and stress – out of it. Ultrasonic sensors measure open spaces and help find a parking spot as small as 1.2 times the length of your vehicle. When it does, you literally take your hands off the wheel, then watch as the system guides you into it, while you control the brake, shifter and accelerator.

We could all benefit from a little forward thinking. Thankfully, when you're pulling into a space, the **Forward Sensing System**<sup>1</sup> on MKS sounds an audible tone if its sensors on the front bumper detect an object in front of your vehicle.

It's important to have a sense of what's happening around you. A **Reverse Sensing System**<sup>1</sup> and rear view camera<sup>1</sup> are both standard equipment on every MKS. The audible alerts and full-color visuals are helpful when you're backing into or out of tight spaces, and the camera even displays visual guidelines to help you estimate distances.

<sup>1</sup>Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. <sup>2</sup>Available feature.

It can be easy to miss when a vehicle has entered your blind spot. Just as its name suggests, **BLIS® (Blind Spot Information System)**<sup>1</sup> can help keep you aware of vehicles that may be out of your line of sight. The system alerts you with a light in the corresponding sideview mirror<sup>2</sup> if its radar sensors detect a vehicle. **Cross-traffic alert**<sup>1</sup> notifies you with an audible beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you're slowly backing out of a space.

Every now and then, we need a little nudge in the right direction. Fortunately, the **Lane-Keeping System**<sup>1,3</sup> can alert you with a steering wheel vibration if it detects you drifting out of your lane, and can then apply steering wheel torque to help direct you to steer back into it. The **Driver Alert System**<sup>1</sup> also uses a forward-facing camera to detect road lane markings, then emits a chime and displays a coffee cup icon in your gauge cluster if it detects that you've come too close to – or crossed – the lane markings too many times.

It always pays to plan ahead – and your MKS can help with that. Using advanced radar technology to constantly scan for slower vehicles in front of you, **adaptive cruise control and collision warning with brake support**<sup>1</sup> can automatically change your vehicle's speed to maintain your choice of 4 preset gaps – without you having to engage the brake or accelerator pedals. If collision warning with brake support senses a potential collision, the system flashes a warning across the windshield, sounds an alarm, then pre-charges the brakes and increases the brake-assist sensitivity to help provide full responsiveness when you brake.

<sup>1</sup>Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.  
<sup>2</sup>BLIS replaces standard integrated blind spot mirrors. <sup>3</sup>Lane-Keeping System does not control steering.

EPA-ESTIMATED  
RATING **26** *hwy*  
MPG<sup>3</sup>

### 3.5L ECOBOOST V6

Turbocharge your travels. Lincoln MKS appeals to your outgoing nature with its **365-hp**<sup>1</sup> 3.5L EcoBoost® twin-turbocharged, direct-injection engine.<sup>2</sup> You'll especially enjoy its substantial low-end torque when you accelerate to pass other vehicles or to enter a highway. Plus, MKS with EcoBoost includes **Intelligent all-wheel drive (AWD)** for an even more dynamic driving experience – rain or shine.

### 3.7L V6

Some say efficiency is its own reward. Fortunately, MKS mixes it with plenty of power, courtesy of its standard 3.7L Ti-VCT V6 engine. **Twin independent variable camshaft timing** precisely controls the intake and exhaust valves, helping to produce 304 hp and 279 lb.-ft. of torque, while also optimizing fuel combustion. The **Active Grille Shutter System**<sup>2</sup> automatically opens and closes to help improve aerodynamics and fuel efficiency.<sup>3</sup>

## POWERFUL PRESENCE

Wherever your travels lead, MKS is engineered to help you enjoy the ride. **Lincoln Drive Control featuring continuously controlled damping (CCD)** uses sensors to read the road – and your driving input – every 2 milliseconds, then quickly adjusts the firmness and damping at all 4 wheels to help your MKS remain in harmony with the road. The system also lets you select between 3 drive modes – Comfort, Normal or Sport – to match your driving style. **Electric power-assisted steering (EPAS)** automatically adjusts the steering sensitivity for different driving situations. At the same time, **Torque Vectoring Control** adjusts the speed between your front wheels for enhanced cornering and agility.<sup>1</sup> MKS is designed to embrace the curves.

<sup>1</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**LIKE THE WARMING RAYS OF THE SUN, MKS IMPARTS A SENSE OF SERENITY.**

Beneath its beautiful surface lies an array of advanced technologies designed to support your well-being. **AdvanceTrac® electronic stability control** helps keep you on your intended path,<sup>1</sup> while dual-stage front, front-seat side, and side-curtain airbags can help make your travels safe ones. A **dual-panel power moonroof<sup>2</sup>** opens wide to give everyone a clear view, and includes a power sunshade for when you'd rather keep the sun at bay. There's even a **power rear sunshade<sup>2</sup>** that rises with the touch of a button to help shade your rear-seat passengers and help keep the interior cool. And on those early-morning trips when it's a little cooler outside, you can offer those same fortunate passengers **heated rear outboard seats<sup>2</sup>** to adjust to their liking. MKS fills each day with subtle luxuries.

<sup>1</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. <sup>2</sup>Available feature.

Lincoln Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties.

# THE LINCOLN PLEDGE

It's the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be there for you and your Lincoln wherever, whenever, if ever, you need us.

**LINCOLN LIMITED WARRANTIES<sup>2</sup>**

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

**LINCOLN COMPLIMENTARY MAINTENANCE<sup>3</sup>**

We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation, scheduled to accommodate your busy life.

**LINCOLN ROADSIDE ASSISTANCE FOR LIFE<sup>3</sup>**

Help is only a phone call away, should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

**COMPLIMENTARY CAR WASH<sup>4</sup>**

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It's just another shining example of our commitment to you.

**COURTESY VEHICLE<sup>4</sup>**

Should your Lincoln require warranty service, you can count on us to be there for you with a courtesy vehicle. It's just one more way to let you know that we'll be here for you.

**SERVICE PARTS WARRANTY**

We'll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

**MYLINCOLN MOBILE APP**

Available through a free download to your iPhone<sup>®</sup> or Android<sup>™</sup> device, the MyLincoln<sup>™</sup> Mobile app provides easy access to Roadside Assistance, your Lincoln Concierge and other premium Lincoln owner services.

**LINCOLN CONCIERGE**

As the owner of a Lincoln, you can take comfort in knowing that we're always by your side. Our caring agents are empowered to handle your concerns – no matter how big or small they may seem.
