

ABSOLUTELY INGENIOUS. Leave it to Dodge Grand Caravan, with its best-in-class storage system,^[1] to make the most of all the flexibility a minivan has to offer. Just press a button and Grand Caravan's available third-row power-folding 60/40 split bench seat folds directly into the floor. The resulting 144.2 cubic feet of space is perfect for hauling oversized items, with an available power liftgate to further simplify the loading process. With Stow 'n Go,[®] the conversion from people hauler to cargo container is equally simple. Grand Caravan is designed to carry 4x8-foot sheets of building material, making it a benchmark even when its bench is out of sight. "Based on Ward's Small Van class.

THIS IS STOW 'N GO.® Only one family of minivans offers the industry's only fold-in-floor secondrow seating system. Stow 'n Go allows Grand Caravan to instantly transform itself into what you need when you need it. The class-exclusive⁽¹⁾ Stow 'n Go system is totally innovative, letting you fold the second row of seats and the 60/40 split third-row seating into in-floor storage wells; in some 30 seconds, you've gone from a 7-passenger shuttle to a moving cavern with 144.2 cubic feet of cargo area with a completely flat load floor. From there, it just gets better. The in-floor storage bins employ Quiet Steel,[®] which absorbs road noise. Cup holders — there are up to nine — plus bottle holders and map pockets make any trip easy. Add an impressive list of available assets, and you realize that Grand Caravan is the one to count on. They include the class-exclusive⁽¹¹⁾ remote start that works up to 300 feet away, a premium floor console, 8-way power driver and front-passenger seats, and even heated cloth or leather seats. With Dodge Grand Caravan, when the seats disappear, the ingenuity becomes obvious.

HERE'S TO MAKING IT EASY. Our engineers took one simple concept — make things easy for a family — and then they took it to extremes. Designed to adapt unlike any other vehicle, Dodge Grand Caravan offers up to 256 seating and storage configurations, with innovations that defy conventional thinking. The ingenious — and class-exclusive⁽¹¹⁾ — Swivel 'n Go® seating is merely the beginning. The captain's chairs fold into themselves and then into the floor, while the third-row seat swivels effortlessly from tailgate point-of-view to forward-facing. And with the available one-touch power folding system, you can flip the third-row seat into the floor with push-button ease. Indoor picnic? A game of cards? When it comes to keeping the family happy, you've come to the right place.

^[1]Based on Ward's Small Van class.

BEHOLD THE ROLLING MULTIPLEX. When it comes to Grand Caravan's entertainment options and all-around comfort, few dare to compare. The available and class-exclusive⁽¹⁾ Swivel 'n Go® Seating System⁽²⁾ provides second-row captain's chairs that rotate 180,° and includes a removable, easily stored center table.⁽²⁾ Second-row windows retract into the sliding doors, with retractable sunshades for second and third rows. THE SCREENING ROOM. Part of Uconnect™ Multimedia is the available SIRIUS Backseat TV,[™] broadcasting three channels of streaming video on dual 9-inch LCD screens. Want more? Grand Caravan delivers: the DVD players feature input jacks to accommodate the all-important gaming and video possibilities during long trips. Even the third-row screen swivels⁽³⁾ ideal engineering to match Grand Caravan's impressive seating configurations and designed-in comfort. [™]Based on Ward's Small Van class. [™]Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seat properly restrained in a child seat or the vehicle seat belt. Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed or without properly using your seat belt. ¹When equipped with Swivel 'n Go seating.

M COCOCC MEDIA CENTER. 730N AM/FM/CD/DVD^[1] radio with 30GB hard drive, GPS Navigation, 6.5-inch touch screen, MP3/WMA support, USB input, 4,250 song capacity, SIRIUS® Satellite Radio, SIRIUS Traffic[™] and Voice Command.^[2] iPDD® CONTROL. Connect most iPod compatible devices to your car's stereo using the in-car cable, then control them with your radio or steering wheel controls. Keeps the devices charged too. UCONNECT WEB.^[3] An in-car router that connects any Wi-Fi-enabled device to the Internet at 3G broadband speeds, allowing multiple passengers to surf the Web, social-network, look up directions, check eMail or download music. Uconnect Web is an Authentic Dodge Accessory by Mopar.^{IIIIn-dash} DVD capability not available in all states. See your dealer for details. ^{IIII}Must use Bluetooth® compatible phone. ^{III}Subscription required; sold separately. The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion.

line,

AUTHENTIC DODGE ACCESSORIES. When you enhance your Grand Caravan with Authentic Dodge Accessories by Mopar, you gain far more than substantial style, premium protection, powerful performance or extreme entertainment. You also benefit from the authentic difference found only in an original equipment accessory. It's a difference you'll recognize in our higher standards and tighter tolerances, and one you'll appreciate in our "strict" testing measures — from impact performance tests to harsh on- and off-road durability testing. Choose from a full line of accessories with the fit, finish and functionality designed specifically for your Grand Caravan. SPORT UTILITY BARS. Heavy-duty bars accommodate all Dodge carrier accessories as well as your active lifestyle. ROOF-MOUNT WATER SPORTS CARRIER. This carrier can be outfitted to adapt to any number of activities — like, say, sea-kayaking. SIDE WINDOW AIR DEFLECTORS. These tinted deflectors are designed to channel both wind and rain away from the side windows. HITCH RECEIVER.^[1] Grand Caravan's Hitch Receiver can trailer loads of up to 3,600 lb with the trailer tow package and with proper weight-distributing equipment. Ball Mount, Hitch Ball and Wiring Harness sold separately. MOLDED SPLASH GUARDS. Uniquely contoured to protect your rear fascia against damaging road debris, Splash Guards match their form with their function. MOLDED RUNNING BOARDS. A high-strength substructure and skid-resistant surfaces allow these running boards to take the pounding your family dishes out. FLO TVTM Auto Entertainment gives you instant access to your favorite channels 24/7 including ABC Mobile, Adult Swim Mobile, CBS Mobile, CNBC, CNN Mobile, COMEDY, CANCHE, CNACHE, Movies, Disney Channel, ESPN Mobile TV, FOX Mobile, FOX News, msnbc, MTV, NBC 2GO, nickelodeon and more! Check us out at mopar.com

AUTHENTIC DODGE ACCESSORIES

Dodge Grand Caravan's fit and finish were subjected to the rigors of extensive noise, vibration and harshness (NVH) evaluation. The result is a reduction in unwanted sounds and sensations inside and outside the vehicle. Grand Caravan also uses more Quiet Steel®technology than any other minivan. This leading-edge noise- and vibration-reducing steel product further dampens unavoidable NVH levels.

To truly test NVH, an anechoic chamber with a rolling floor was used to simulate highway speeds and gauge the benefits of sound-deadening innovations. The Environmental Test Center subjects Grand Caravan to extremes, ranging from a brutal minus 40-degrees Fahrenheit up to a blistering 130-degree environment. To gauge the effectiveness of suspension design in terms of both ride and noise, Grand Caravan is rattled mercilessly on a four-post shaker from the earliest phase of development onward.

THE TOTAL PACKAGE. Grand Caravan goes to great lengths to ensure that its safety and security systems are executed with perfect choreography. Front rails with an enhanced crush zone between the front bumper and passenger cabin help energy to be absorbed and deflected away from passengers. High-strength steel further forms a protective safety cage around the cabin's occupants. The available ParkView® Rear Back-Up Camera^[1] displays an accurate visual reference of what is behind your vehicle when you are driving in Reverse. Standard side-curtain air bags^[2] deploy with extended uptime, blanketing outboard positions in all three rows of seating. Opt for the available booster seat^[3] to perfectly fill the gap between child seat and three-point seat belt. ¹¹Always check entire surroundings visually before backing up. ¹¹Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and weight. ¹¹For children 48-85 Ib and up to 49:

 GRAND CARAVAN'S UNITIZED UPPER BODY FORMS A STRUCTURAL SAFETY CAGE THAT **PROVIDES EXCELLENT PROTECTION.**

OF ACCIDENT INJURY. (ALWAYS SIT PROPERLY ITH THE HEAD RESTRAINT PROPERLY ADJUSTED. NEVER PLACE ANYTHING IN FRONT OF THE HEAD RESTRAINT.)

GRAND CARAVAN SE: Includes standard features such as Stow 'n Go® seating and storage system, advanced multistage front air bags,^[1] three-row side-curtain air bags,^[1] three-zone manual temperature control air conditioning, remote keyless entry, Electronic Stability Control (ESC),^[2] all-speed traction control, Stain Repel seat fabric, four-wheel antilock disc brakes, active head restraints,^[3] front floor console with four cup holders, tire pressure monitoring lamp, speed control, an auxiliary power outlet, 16-inch tires, 16-inch steel wheels with wheel covers, Child Seat Anchor System (LATCH), storage bins in driver's door and left rear quarter trim, low-back front bucket seats, full-length floor carpet, Tip Start, tinted glass, rear window defroster, passenger assist handles, brake/park interlock, power heated exterior mirrors, power front windows, body-color bodyside molding, halogen headlamps

GRAND CARAVAN HERO: Includes all of Grand Caravan SE's features plus standard 3.8L V6 engine with 6-speed automatic transmission, leather-wrapped steering wheel with audio controls, leather-wrapped shift knob, roof rack, six speakers and 16-inch aluminum wheels

GRAND CARAVAN DIMENSIONS: Length – 202.5," Width – 76.9," Height – 68.9," Wheelbase – 121.2"

GRAND CARAVAN SXT: Includes all of Grand Caravan Hero's features, plus standard HomeLink® universal garage door opener, trip computer, eight-way power driver's seat, bright exterior trim features, fog lamps, interior courtesy lamps, power adjustable pedals, driver's lumbar support, power sliding doors, illuminated visor vanity mirrors, 115V auxiliary power outlet, headlamp-off time delay, second-row power windows, power rear window vents, SIRIUS® Satellite Radio with 1 year of service included

GRAND CARAVAN CREW: Includes all of Grand Caravan SXT's features plus standard 4.0L engine with 6-speed automatic transmission, 17-inch aluminum wheels, Media Center 430 with touch screen, hard drive and ParkView® Rear Back-Up Camera ^[1]Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and weight. [2] No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ^[3]Always sit with the head restraint properly adjusted. Never place anything in front of the head restraint.
