

Build your Patriot at jeep.com.

1974 Jeep Cherokee S

LEGENDARY LINEAGE. For nearly 70 years, Jeep[®] vehicles have ruled the rocks, road, and mud, taking full charge of authentic capability. Today, Patriot claims the role of modern-day hero. With its classic profile and road presence, Patriot capitalizes on the "go-anywhere" Jeep brand attitude: decisively tough, incredibly refined, and utterly capable. Patriot epitomizes the Jeep brand's strength of purpose that's designed to take every hard-core adventurer up, over, and beyond to arrive at destinations that other less-accomplished pretenders only dream of reaching.

*Standard and available equipment shown. A note about this brochure: All disclaimers and disclosures can be found on inside back cover.

The recognized standard for proven off-road capability. When you're ready and willing to head out for a peak Jeep 4WD experience, Patriot is too. The available Trail Rated® Freedom Drive II® Off-Road Group helps earn Patriot the bragging rights for best-in-class off-road capability.⁽¹⁾ For top-shelf value, Patriot's 2.4L DOHC 16V dual VVT engine moves with unsurpassed 4x4 efficiency,⁽¹⁾ pushing 172 hp and achieving up to an EPA estimated 28 mpg on the highway.

TAMED TERRAIN. A Trail Rated Patriot 4WD vehicle is built to help you maintain traction and control on the toughest terrain. You'll keep moving on steep grades and slippery conditions.

HANDLE IT. Patriot's four-wheel independent touring-tuned suspension improves on-road handling and cornering and helps to provide a smooth and even ride.

FOOTWORK. Go forth boldly, knowing you've got a full nine inches between you and the nearest boulder below.

FREEDOM DRIVE I. This available, active full-time 4WD system with LOCK Mode gets you through severe all-weather conditions like deeper snow, mud, and sand.

ALL-AROUND PROTECTION. Patriot's air bag systems⁽²⁾ include front and rear side-curtain and advanced multistage driver and front-passenger air bags. Standard front-seat active head restraints⁽³⁾ move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, thereby helping to reduce the chance of injury.

ELECTRONIC STABILITY CONTROL (ESC).⁽⁴⁾ Integrates a host of systems that includes all-speed traction control, a Brake Assist system that automatically helps provide quicker braking power in emergency situations, and Electronic Roll Mitigation (ERM) steering actions that can apply strategic braking to appropriate wheels and reduce engine power when overly sharp steering actions and/or impending wheel lift are detected. Standard on all models.

SENTRY KEY.[®] A unique embedded key code matched only to your vehicle helps keep your Patriot safely where it belongs.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY. Patriot with available supplemental seat-mounted side air bags⁽²⁾ earns the highest honor as a 2010 TOP SAFETY PICK.

HILL START ASSIST (HSA). Standard on manual transmission models, HSA helps stop that annoying "roll-back" when you tackle uphill climbs.

Patriot's got your back and your sides, as well as your front end. Head out with confidence, knowing you're outfitted with a comprehensive set of safety and security features. Patriot's emphasis on incident preventive packages, like Electronic Stability Control (ESC)⁽⁴⁾ with its robust range of sensor indicators, are key to occupant protection. A strong cage structure contains a front crumple zone that absorbs energy during a front impact, as well as a high-strength crossbeam in the rear seat area that helps transfer side-impact energy from one side of the vehicle to the other.

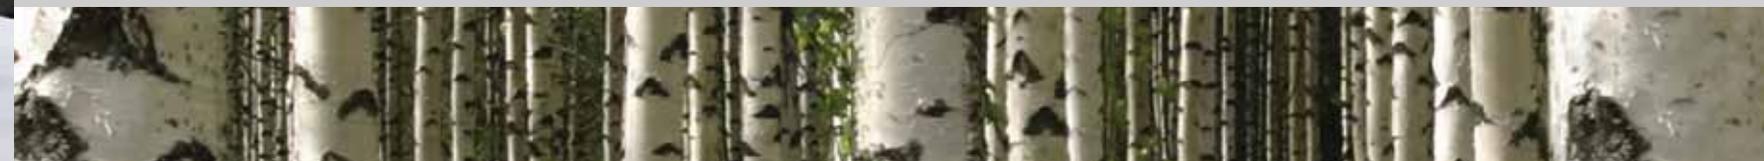

Safety and Security Features

SIRIUS[®] TRAVEL LINK.^{TM (5)} As packaged with the available Media Center 430N radio, you'll have access to real-time information on accidents, traffic flow, construction, road closures, and more. Alternative route guidance and mapping lets you easily avoid troubled areas to help you arrive safely and on time.

TIRE PRESSURE MONITORING SYSTEMS. Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when levels drop below the minimum acceptable level.

AVAILABLE HEATED POWER EXTERIOR MANUAL-FOLDING MIRRORS. Melt snow and ice off your side-view mirrors as you warm up your interior. Helps keep your mirrors icicle-free as you drive, as well.

Stay connected to the people, music, and devices that matter most. Uconnect® is an intuitive hub for all your media — cell phone, Internet, satellite radio, navigation system, MP3 player, and smartphone — designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone's address book® — up to 1,000 entries — every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.® Effortlessly connect any WiFi enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar — it's all wireless. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio channels, and record voice memos. Plug an iPod® into the remote USB port and command all your music. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You'll have multiple ways to access audio, including SIRIUS Satellite Radio® (your first year of service is included), a 28GB hard drive, and Bluetooth streaming audio. Rear Seat Video, an Authentic Jeep® Accessory by Mopar, can be accessed four ways: watch SIRIUS Backseat TV,™ DVDs, compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides enhanced GPS navigation and information on the go. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. An upgraded Uconnect radio features optional GPS Navigation from Garmin®. An intuitive user interface features turn-by-turn audible directions and lane guidance, a new media-center "first," that provides visible assistance when approaching multiple lane-changing options.

SIRIUS TRAVEL LINK.™ Access a wealth of information at your fingertips, including national and local weather reports, local gas prices, in-game and final sports scores, weekly movie times, even local ski slope conditions. Subscription is required after one-year complimentary service (late availability).

GARMIN. NAV.® Offered for the first time is a media center that includes Garmin, the most recognized name in GPS wayfinding. It features the Garmin intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory in-dash screen.

WARMTH AT WILL. It's said that those who've experienced the nearly instantaneous cozy warmth of heated seats deem them a must-have feature from that day forward. Fitting the bill are the standard heated front seats for both the driver and front passenger on Patriot Latitude X. The feature offers High and Low heat options so you can customize your comfort level to meet whatever chill factor the day brings.

Jeep® Patriot Latitude X. It's touched by impressive details and creature comforts inside and out. Jeep Patriot Latitude X moves its occupants to greater and very efficient heights with a 172 hp 2.4L DOHC engine that's ingeniously matched to an available Continuously Variable Automatic Transaxle (CVT2) with AutoStick. Inside, leather-trimmed and heated front bucket seats, automatic temperature control, and an available Media Center 430N radio with Garmin® Navigation keep you comfortable, entertained, and always heading in the right direction.

TAKE IT PERSONALLY. Its cabin is aimed to please. The interior of Latitude X features new soft-touch surfaces and smartly designed and fitted vents, knobs and dials that control a plethora of convenient features. Adjust the Automatic Temperature Control dials to keep the cabin consistently comfortable. The optional 368-watt nine-speaker Boston Acoustics® Premium Sound System is the envy of every ear and the standard six-way power-adjustable and reclining driver's seat puts you in a very comfortable position.

PATRIOT LATITUDE X. Patriot Latitude X is very well-appointed and pleasingly fuel efficient. **STANDARD:** 2.4L DOHC 16V dual VVT 4-cylinder engine, antilock brake system (ABS), Electronic Stability Control (ESC)®, Brake Assist, all-speed traction control, Electronic Roll Mitigation (ERM)®, dual front and supplemental side-curtain air bags, fully independent touring-tuned suspension, driver adjustable manual lumbar, Electronic Vehicle Information Center (EVIC), 4-wheel antilock disc brakes, bright exterior accents, Sentry Key® anti-theft engine immobilizer, power-heated manual folding mirrors, premium leather-trimmed seats, Media Center 230, fog lamps, 17-inch cast aluminum wheels, SIRIUS® Satellite Radio®, leather-wrapped steering wheel with speed and audio controls. **AVAILABLE:** Freedom Drive II® active full-time 4WD with Off-Road mode, Uconnect® Voice Command, Sun and Sound Group with power sunroof and nine Boston Acoustics® speakers with two flip-down liftgate speakers.

17-inch Painted Aluminum
Patriot Latitude X (Standard)

LATITUDE. The available Sun and Sound Group is designed to make road trips brighter and much more entertaining. It includes a nine-speaker Premium Sound System with flip-down liftgate speakers, SIRIUS® Satellite Radio,® and a power sunroof.

Jeep® Patriot Latitude. Explore where you will, outfitted with plenty of room to move in comfort, capability, and style. Latitude's standard powertrain includes a 158 hp 2.0L DOHC engine with Variable Valve Timing (VVT) and 5-speed manual transmission. Adventures are possible when you opt for Freedom Drive I 4WD, an all-weather 4x4 system with a selectable LOCK feature that is consistently capable. This active full-time system earns Patriot kudos for tackling snow, ice, rain, and mud like a champ.

17-inch Painted Aluminum Patriot Latitude (Standard)

PATRIOT LATITUDE. Comfortable city trips and adventurous exploration are mapped out here. STANDARD: 2.0L DOHC 16V dual VVT 4-cylinder engine, antilock brake system (ABS), Electronic Stability Control (ESC),® Brake Assist, all-speed traction control, Electronic Roll Mitigation,® dual front and supplemental side-curtain air bags,® fully independent touring-tuned suspension, Sentry Key® antitheft engine immobilizer, power-heated manual folding mirrors, heated front seats, front-passenger fold-flat bucket seat, Media Center 130, 115-volt power outlet for laptops and mobile devices, fog lamps, 17-inch cast aluminum wheels, leather-wrapped steering wheel with speed and audio controls. AVAILABLE: Freedom Drive II® active full-time 4WD with Off-Road mode, Sun and Sound Group with power sunroof and nine Boston Acoustics® speakers with two flip-down liftgate speakers and SIRIUS® Satellite Radio.®

WIDE-OPEN RECEPTION.

Patriot's spacious cabin is fine-tuned with useful and clever details. From Latitude's standard illuminated cup holders and Keyless Entry to its leather-wrapped steering wheel and 60/40 split-folding reclining rear seats, you'll see the world from a comfortably open position. With steering wheel audio controls, your hands stay on the wheel while you browse the available Media Center 430 radio's 30GB hard drive and 6,700 song capacity.

Properly secure all cargo.

Jeep® Patriot Sport. Adventure enthusiasts get their best game on with Sport's cache of standard equipment, including Electronic Stability Control (ESC)⁽⁴⁾ with Electronic Roll Mitigation (ERM)⁽⁴⁾, a four-wheel antilock brake system (ABS) and all-speed traction control. Inside the cabin, you can take your toys with you by lowering the 60/40 split-folding reclining rear seats to open up a roomy 54.2 cu ft of cargo volume. Illuminated cup holders glow in the dark, adding functionality as well as convenience.

PATRIOT SPORT. Begin living the Jeep® life here. STANDARD: 2.0L DOHC 16V dual VVT 4-cylinder engine, 5-speed manual transmission with Hill Start Assist (HSA), antilock brake system (ABS), fog lamps, deep tinted glass, cruise control, Electronic Stability Control (ESC)⁽⁴⁾, Brake Assist, all-speed traction control, Electronic Roll Mitigation⁽⁴⁾, dual front and supplemental side-curtain air bags⁽⁸⁾, fully independent touring-tuned suspension, Sentry Key[®] antitheft engine immobilizer, deluxe cloth-trimmed seats, Tire Pressure Monitoring warning lamp, Media Center 130 CD/MP3 radio, side roof rails, 12-volt accessory power outlet, outside temperature gauge. AVAILABLE: Freedom Drive I active full-time 4WD, Freedom Drive II[®] active full-time 4WD with Off-Road mode, Media Center 230 with AM/FM/CD/DVD radio with auxiliary input jack, Tire and Wheel Group, front seat-mounted side air bags⁽⁸⁾ and Power Value Group.

POWERTRAIN

Engine	2.4L DOHC 16V dual VVT I-4
Displacement (cu in/cc)	144/2,360
Horsepower (SAE net @ rpm)	172 @ 6,000
Torque (SAE net lb-ft @ rpm)	165 @ 4,400
Engine	2.0L DOHC 16V dual VVT I-4
Displacement (cu in/cc)	122/1,998
Horsepower (SAE net @ rpm)	158 @ 6,400
Torque (SAE net lb-ft @ rpm)	141 @ 5,000
Fuel System	Sequential multiport, electronic fuel injection with electronic throttle control
Fuel Recommendation	Unleaded regular, 87 octane (R+M)/2
Engine Construction/Fuel Delivery	High-pressure die-cast aluminum block with dry iron liners, cast aluminum cylinder head, forged steel crankshaft, dual counter-rotating balance shafts (2.4L)
Intake Design	Tuned intake manifold with Electronic Active Charge Motion Control valves, 4 valves per cylinder, electronically controlled, dual Variable Valve Timing, electronic throttle control
Exhaust System	Oversized displacement muffler for reduced back pressure and noise, long-life design

TRANSAXLE

5-speed manual with overdrive, ratio range (:1) 3.77 – 0.72 (1st – 5th) overall top gear ratio: 2.97	Std.
Continuously Variable (CVT2) Automatic with 30-mm high-strength multilayer steel drive belt, ratio range (:1), 2.35 – 0.39; overall top gear ratio: 2.41	Opt.
Continuously Variable (CVT2L) Automatic with 30-mm high-strength multilayer steel drive belt, ratio range (:1), 2.35 – 0.39; overall top gear ratio: 3.21, unique final drive with 19:1 crawl ratio feature (requires Freedom Drive II [®] Off-Road Group)	Opt.

DRIVE SYSTEMS

Front-wheel drive (4x2) transaxle with constant velocity joints and equal-length half shafts	Std.
Freedom Drive I active, full-time 4-wheel drive (4WD) with selectable 4WD LOCK	Opt.
Freedom Drive II active, full-time 4-wheel drive (4WD) with selectable 4WD LOCK, Off-Road mode and 19:1 overall crawl ratio	Opt.

CAPACITIES/WEIGHTS/TOWING (pounds unless otherwise specified)

Fuel Tank (gal) (2WD/4WD)	13.6/13.5
Base Model Curb Weight 5-speed manual (2WD/4WD)	3,115/3,261
CVT2 (2WD/4WD)	3,196/3,339
Payload Capacity (includes occupants and cargo)	925
Maximum Gross Vehicle Weight Rating	4,575
Maximum Loaded Trailer Weight (when properly equipped)	2,000
Tongue Load Limit (when properly equipped)	225

NOTE: For specific towing details, discuss your plans with your Jeep[®] dealer who will help you select the right equipment to meet your specifications.

BODY/SUSPENSION/CHASSIS

Body Design	Unitized steel construction with a structural safety cage utilizing advanced hot-stamped, tailor-rolled, dual-phase steel technologies and advanced joint design for added strength, reduced weight and improved NVH, front crumple zone
Suspension	Front: Independent with MacPherson struts, and coil springs over gas-charged shocks, stabilizer bar Rear: Independent multilink with coil springs and gas-charged shocks, stabilizer bar
Steering	Power-assisted, rack-and-pinion (firmer feel on Limited)
Overall Ratio	16.4:1
Turning Diameter (curb-to-curb) (ft)	35.6
Turns (lock-to-lock)	2.9
Brake System	ABS, 4-wheel disc hydraulic, power-assisted, 11.5" vented front/10.3" with solid rear (rear drums on 2WD Sport model)
Electronic Stability Control (ESC)[®]	4-channel, 4-wheel antilock with active wheel speed, vehicle-speed, steering-wheel angle, yaw-rate, and lateral-acceleration sensors, vehicle stability management with two-stage activation switch, all-speed traction control, Brake Assist, Electronic Roll Mitigation and Electronic Brake Distribution (4WD brake traction control and off-road ABS features also included with Freedom Drive II Off-Road Group)
Parking Brake Type	Drum-in-hat

INTERIOR DIMENSIONS (inches unless otherwise specified)

Seating Capacity	5 Adults
Head Room front/front with sunroof/rear	41.0/39.6/39.9
Leg Room front/rear	40.6/39.4
Shoulder Room front/rear	54.6/54.0
Hip Room front/rear	52.3/51.0
Cargo Volume rear seat up/folded/rear seatback folded and available front-passenger seatback folded (cu ft)	23.0/54.2/62.7
Cargo Liftover Height	30.7

EXTERIOR DIMENSIONS (inches unless otherwise specified)

Wheelbase	103.7

®Based on Ward's Small Sport/Utility vehicle segmentation. ™The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. *Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed, at then current rates, unless you call 1-888-539-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada: see siriuscanada.ca. No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. *Phone must support Bluetooth Phone Book Access Profile (PBAP). Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required. ®Garmin and the Garmin Logo are registered trademarks of Garmin, Ltd. or its subsidiaries and are registered in one or more countries, including the U.S. ™When equipped with the Trailer Tow Prep Group or Freedom Drive II Off-Road Group. Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. May require additional items not sold by Mopar. All occupants should always wear their lap and shoulder belts properly. ™Only available without side seat air bag. Litho in U.S.A. 74-383-2177 (64.5M)

treadlightly!
ON LAND AND WATER

As a founding member and official partner, we urge all Jeep owners to "Use common sense and stay on designated trails" and follow Tread Lightly! Guidelines, helping preserve the beauty of our landscape for generations to come. Call (800) 966-9900 or visit treadlightly.org to learn more.

Travel responsibly on designated roads and trails or in permitted areas. **Respect the rights of others**, including private property owners and all recreational trail users, campers and others, to allow them to enjoy their recreational activities undisturbed. **Educate yourself** by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely. **Avoid sensitive areas** such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage. **Do your part** by leaving the area better than you found it, properly dispose of waste, minimize the use of fire, avoid the spread of invasive species, restore degraded areas, and join a local enthusiast organization.
