200 COLLECTION

2014 MODELS | CHRYSLER.COM

THE WORLD OVER KNOWS OF THIS
PLACE.

THEY KNOW IT NOT AS I, BUT THEY LIVE IT
JUST THE SAME.

200 SEDAN
PERSEVERANCE FROM THE GROUND UP.

The Chrysler 200's standard trim levels serve as the foundation for what this sedan is all about: comfort, convenience and safety with accessible luxury and high-end technology. The lineup begins with the LX, adding on with Touring mechanics and technology features, then loading with power, performance and style accents on Limited. All laying the groundwork for the 200 Collection. The demand for great value and progressive style in a mid-size sedan is the reason the Chrysler 200 not only exists but flourishes.

HIGH-FUNCTION FORM. The Chrysler grille and badge, fascia and fender sculpting, pronounced deck lid and available dual bright exhaust tips announce its bold arrival to any scene. The standard body-color door handles and power heated mirrors give the body side a streamlined stance, and Limited's brightwork captures attention through well-thought-out chrome accents. A progressive windshield and front-door-glass acoustic treatment help prevent road noise from entering the cabin. With design cues to enhance the sculpted fascias, the lighting features bifunctional halogen projector headlamps that utilize high/low-beam capability for outstanding forward and spread-light performance, while the LED "eyebrow" light pipes give an illuminated distinction to the front end. Limited adds fog lamps that further spotlight low-visibility paths. The ultra-bright LED taillamps and center high-mounted stoplamp mean viewers from the rear take notice.

ACOUSTIC ACCLAIM. The interior reveals super-soft materials, sturdy cushion design and sound-absorbing treatments throughout the cabin and instrument panel, which provide comfort as well as reduced noise and vibration levels. Limited's premium leather seating surfaces with stitching detail and leather-wrapped steering wheel and shift knob with chrome accents confirm the upgrade. The instrument panel, gauge cluster and dash enhance the finishing touches as ambient LED lighting highlights the aesthetic. The four-spoke, tilt/telescoping steering wheel with integrated controls allows the driver easy access to radio, cruise and available hands-free phone controls. Illuminated cup holders and a classic-design analog clock supplement the designed-in conveniences. Touring and Limited also include automatic temperature control, sun visors with illuminated vanity mirrors, SiriusXM® Satellite Radio,* six premium speakers (Boston Acoustics® speakers on Limited), Tire Pressure Monitoring Display, Electronic Vehicle Information Center (EVIC) with trip computer and compass, and universal garage door opener.

STRONG, SMART AND STEADY. The available 3.6L Pentastar® V6 engine offers best-in-class² 283 horsepower with 19 city/29 highway mpg, based on Chrysler Group LLC estimated testing, while the 2.4L engine with six-speed transmission offers surprising 173-horsepower performance and 20 city/31 highway mpg, also based on Chrysler Group LLC estimated testing. The front and rear suspension with stabilizer bars deliver a substantially sturdy and responsive ride and handling to standard 17-inch or available 18-inch wheels.

*A note about this brochure: All disclaimers and disclosures can be found in the back of this brochure.

200 Sedan Touring and Limited include leather-wrapped steering wheel and available 6.5-inch Uconnect[™] touch screen.

THE WORLD OVER

200 CONVERTIBLE

A REBEL FOR YOUR CAUSE.

CAREFREE. It may be a state of mind, but it helps when windblown hair is an option. Rise to any occasion or just leave it all behind with the adaptability that transforms your ride with a touch of a button. It's the power of superior design — the two-door convertible that comfortably seats four. Taking the engineering and design traits from its sedan counterpart, the 200 Convertible releases the lid on open-air freedom and is the only vehicle in its class to offer a power retractable hardtop.³

BREATHING ROOM. Choose from two retractable drop-tops of standard cloth or the available retractable steel hardtop. Each operates via a button on the interior center stack or via the key fob. The retractable system opens and closes the rear-compartment cover and unlocks, retracts and stows the entire top. With any top down, the spacious trunk capacity still has room to easily fit two golf bags or suitcases.

AUTOMATIC STRESS RELEASE. In both the soft-cloth and hardtop forms, the power convertible top folds in three sections and automatically latches with a switch on the center console or the press of a button on the key fob. Each takes approximately 30 seconds to raise or retract while an automatic hard cover conceals the stowage area when the top is down. Tightened flow-through design further enhances the feeling of floating on air.

SIMPLICITY AT ITS SMARTEST. An included Smart Glass system protects the retractable top's weather strips and window seals. It automatically lowers the windows slightly whenever the top is lowered or when the doors are opened or closed. When the door handle is pulled, the windows lower half an inch, preventing resistance or damage to the window or top weather strips as the door opens. Once the door is closed, the window fully closes.

200 SEDAN S PACKAGES

KICK IT UP A NOTCH OR THREE.

URBAN STYLE. These standout exterior touches add a flair for attitude. The 200 S Packages offer a Black grille and Black headlamp treatment with bright metalized projector rings and projector fog lamps. The S reinforces its strong profile with body-color door handles and body-color heated exterior mirrors, Black "S" badge and 18-inch polished aluminum wheels featuring Black painted pockets. The brilliant LED taillamps and available dual bright exhaust tips give a parting shot of luster.

GRAPHIC EXPRESSION. 200 Limited Sedan's available S V6 Premium Package includes all of the exterior appearance treatments above, taking this demeanor inside as well. It features Black leather-trimmed seating accented in Silver stitching with distinctive digital suede inserts. The driver and front-passenger seats feature embroidered "S" graphics as a unique stylish touch, and a perforated leather-wrapped steering wheel delivers an added dose of finesse. The Package also includes the 3.6L Pentastar® V6 engine with 283 horsepower, Flex Fuel capability and dual exhaust system for some added boost to the boast.

200 SUPER S PACKAGE. This focuses on rugged performance and style, along with a responsive sport suspension. The interior replicates the 200 S V6 Premium Package while the exterior adds unique aggressive appointments. The exterior adds a new Gloss Black mesh grille accented with a Platinum Chrome grille surround, a chin spoiler and Platinum Chrome fog light spears, giving the entire vehicle a more menacing stance. Body-color sill cladding, Platinum Chrome trim and Semi-Gloss Black wheels embolden the unique profile view. At the rear of the vehicle, a body-color deck lid spoiler, Platinum Chrome light bar, rear valance with polished, fascia-mounted exhaust tips and unique "S" and Black "200" badges complete the distinction.

COVER OPTION. The Convertible 200 S model gives the tough-love treatment from the outside in. It adds an "S" badge, 18-inch polished aluminum wheels and Black painted treatments to exterior design elements. The interior's standard robust performance leather-trimmed seats in Black with "S" logos and distinctive Silver stitching, with upgrades like a perforated leather-wrapped steering wheel, reinforce the bolstered style, while the standard 3.6L Pentastar® V6 engine with dual exhaust packs some added boost to back up the boast.

UCONNECT® TOUCHSCREEN FOR MUSIC, NAVIGATION AND COMMUNICATION.

ENTERTAINMENT. Manage all your media with multiple ways to access audio, including Bluetooth® streaming audio, iPod® control with Voice Command, DVD player, auxiliary input jack, SD card slot and compatible multimedia devices with SiriusXM® Satellite Radio^{1*} (one year of service included).

PHONE. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's contacts² – up to 1,000 entries.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations and SiriusXM Satellite Radio¹ channels and make calls.

WEB. Put the power of high-speed Internet in your vehicle with Mopar® Web³ making your vehicle a mobile hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this Authentic Chrysler Accessory by Mopar. It's all wireless. Subscription required. Sold separately.

NAVIGATION. Provides turn-by-turn voice guidance and visual display. It features the Garmin® intuitive user interface, bringing the Garmin handheld experience to a factory in-dash radio. With SiriusXM Traffic⁴, you'll get detailed information on traffic flow, construction and road closures.

SIRIUSXM TRAVEL LINK⁴ Brings national weather forecasts, fuel prices for local gas stations, in-game and final sports scores, weekly sports schedules, local movie theater listings and local ski conditions right to your vehicle.

SIRIUSXM ALL ACCESS PACKAGE. Enjoy over 150 channels of the best programming for all the places life takes you.

In your vehicle – you'll get every channel available on your radio, including all the premium programming like Howard Stern, every NFL game, Oprah Radio, MLB Network Radio™ and more.

On the go – with a SiriusXM Internet Radio subscription included with the All Access trial, you'll get SiriusXM on your computer, smartphone or tablet. Go to siriusxm.com/getallaccess for more information.

Go to DRIVEUCONNECT.COM to find out more.

RIDE AND HANDLING.

Virtually every system for the 200 has been engineered for an exceptional performance experience. MacPherson struts sit up front to help provide an optimum balance of ride, handling and noise isolation. These are supported by multilink coil suspension in the back, which allows individual articulation of the rear wheels over varying road surfaces for a level ride. Additional components include large-diameter front and rear sway bars, stiffened body mounts and soft ride rate, all paving the way for a smooth and controlled ride. These drivetrain and suspension enhancements also contribute to the reduction of noise, vibration and harshness (NVH), while the available premium 17-inch and 18-inch All-Season tires provide solid balance and response.

TIRE PRESSURE MONITORING SYSTEM.

A warning lamp in the instrument cluster notifies you of low tire pressure. A Tire Pressure Monitoring Display alerts you to individual tire pressure for all four tires and is part of the available Electronic Vehicle Information Center (EVIC).

BEST-IN-CLASS⁵ AVAILABLE HORSEPOWER BRED FOR EFFICIENCY.

It's the most advanced six-cylinder engine ever produced by Chrysler Group LLC, and it just happens to be shared with its Chrysler 300 stablemate. The available 3.6L best-in-class⁵ 283-horsepower Pentastar® V6 DOHC is paired with a six-speed automatic transmission with first-rate NVH control. The only thing better than numbers like 283 horsepower and 260 lb-ft of torque is the engine's durability-enhancing features that require very low maintenance. Its impressive Chrysler Group LLC estimated 19 city/29 highway mpg⁵ provides a glimpse of restraint within its appetite for the open road.

The 2.4L engine with Variable Valve Timing (VVT) is mated to the standard six-speed automatic transmission with AutoStick. It provides a strong balance of fuel economy (based on Chrysler Group LLC estimated testing) and solid performance with 173 horsepower.

AUTOSTICK.

When paired with either the 2.4L four-cylinder engine or the 3.6L Pentastar® V6 engine, the six-speed automatic transmission with available AutoStick shifter allows clutchless manual or automatic gear selection for a dynamic driving experience.

INTERNATIONAL INSTITUTE FOR HIGHWAY SAFETY (IIHS) TOP SAFETY PICK+⁶

The Chrysler 200 Sedan has been awarded a 2013 IIHS Midsize Car Top Safety Pick+ IIHS safety awards determine crashworthiness – how well a vehicle protects its occupants in a crash.

IIHS rates vehicles good, acceptable, marginal or poor based on performance in a moderate overlap frontal crash, small overlap frontal crash, side impact, rollover and rear, plus evaluations of seat/head restraints⁶ for protection against neck injuries in rear impacts. TOP SAFETY PICK+ winners must earn good ratings for occupant protection in at least four of five evaluations, with no less than acceptable in the fifth test.

AIR BAGS⁷

200 models feature standard advanced multistage driver and front-passenger air bags⁷; supplemental driver and front-passenger seat-mounted air bags⁷ and supplemental side-curtain air bags⁷ on sedans.

ACTIVE FRONT HEAD RESTRAINTS⁶

Head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping to reduce the chance of injury.

ELECTRONIC STABILITY CONTROL (ESC)⁸

In adverse conditions, ESC and Brake Assist work with an all-speed traction control system to help maintain vehicle stability, limit oversteering or understeering and automatically apply brake force when needed.

ANTILOCK BRAKE SYSTEM (ABS).

Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

SENTRY KEY® THEFT-DETERRENT SYSTEM.

A unique security system code matched only to your vehicle allows your 200 to start only with the special encoded key.

SECURITY ALARM.

This system monitors the door-ajar and trunk switches as well as the ignition circuit for unauthorized entry. The lights flash and the horn sounds, alerting you if someone else is trying to enter your vehicle.

REMOTE KEYLESS/ILLUMINATED ENTRY.

For additional convenience and security, this feature unlocks the driver's door on the first press of the key fob and all doors on the second press, illuminating interior lights once the vehicle is unlocked.

BUILT WITH A STRUCTURAL INTEGRITY STAMPED IN STEEL.

The foundation of the Chrysler 200 body and frame is a solid structure built with high-strength steel. Safety cage construction includes specially designed front and rear crumple zones that are engineered to help absorb energy and redirect it away from passengers, helping to reduce the risk of injury in the event of an accident.

AUTHENTIC CHRYSLER ACCESSORIES

Choose Authentic Chrysler Accessories by Mopar® for quality parts and accessories made to custom-fit your Chrysler 200. Mile after mile, you'll keep going strong with our expert technicians, genuine parts, Mopar Vehicle Protection™ plans, Express Lane Service and online Mopar Owner Connect™ Web site. See your Chrysler dealer for all the latest parts and accessories. You can learn more about the world of Mopar and all it has to offer at mopar.com

Vehicle shown with Premium Chrome Grille, Accent Lights, Front Chin Spoiler and Windscreen.

ILLUMINATED DOOR SILL GUARDS.

Add a touch of stainless steel style to your vehicle while protecting its interior door sills from scratches. Front sills feature the 200 logo, which illuminates when the front doors open.

MOPAR® WEB³

Get high-speed Internet in your vehicle. Mopar Web's in-vehicle router receives broadband Internet, allowing passengers to surf the Web, social-network, look up directions, check email, play online games or download music. Works with any WiFi enabled device. No cell cards or software required. Subscription required; sold separately.

KATZKIN® LEATHER INTERIORS.

Mopar and Katzkin have come together to create a unique custom leather seating program for enthusiasts who want to express their individuality. Katzkin offers premium leather-trimmed packages with embroideries, piping, two-tones, suede and much more in many different colors. Ask your dealer for more information.

REARVIEW MIRROR WITH BACK-UP CAMERA⁹ AND BLUETOOTH® HANDS-FREE PHONE^{9,10}

Built-in 3.5-inch monitor sees license plate-mounted rear camera view when in Reverse. Enjoy hands-free calling when you add the Bluetooth enabled phone.

AMBIENT LIGHT KIT.

These LED lights mount under the dash to add a perfect amount of accent lighting to both the driver and front-passenger footwells. Eight color settings and low/high lighting intensity let you select one perfect interior ambiance.

REMOTE START!¹

Hit the ground running with the ability to start your vehicle with the touch of a button. The system operates seamlessly with your vehicle's factory electronic security system.

MOLDED CARGO TRAY.

Fits in the rear cargo area to help protect carpeting. Removes easily for cleaning and features a skid-resistant bottom.¹²

KICKER® SOUND SYSTEMS.

Pump up your audio system with upgrade components and packages from KICKER, the world's premier high-performance car audio manufacturer. KICKER speakers have been designed specifically for your vehicle, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required!

(1) SiriusXM service requires a subscription, sold separately, after 12-month trial included with vehicle purchase. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Programming subject to change. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous USA, D.C. and P.R. (with coverage limitations). SiriusXM Traffic available in select markets. See siriusxm.com/traffic for more information. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. (2) Phone must support Bluetooth Phone Book Access Profile (PBAP). (3) Mopar Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required. (4) The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM; Weather Forecast. Current Conditions may not be available in all locations; and features of individual systems will vary. Images in this brochure are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the contiguous USA and D.C. Our Sirius satellite service is also available in P.R. (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. (5) Based on latest available information of Chrysler Group LLC Standard Mid-Size Sedan segment. (6) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (7) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (8) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (9) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (10) Can only be used to replace base model mirrors. (11) Check state and local laws on the use of remote starters. (12) Properly secure all cargo. (13) Complete details, including restrictions, limitations and exclusions, will be available when you become a cardmember. MasterCard is a registered trademark of MasterCard International Incorporated. This card is issued by First Bankcard, a division of First National Bank of Omaha, pursuant to a license by MasterCard International Incorporated.
