DODGE

Aries

Aries

ALLURING NEW LINES THAT DRAW THEIR OWN CONCLUSION.

The 1985 Aries says it all: Efficiency. Warranty-backed durability. New styling. Affordable price. And workmanship that makes it America's compact family car value.

The affordable Aries is a contemporary line of six-passenger compact cars that includes two-door, four-door and wagon models—each available in a selection of trim and luxury levels to match any family budget.

Styling innovations give Aries a more contemporary look for 1985. The sweeping curves and softened lines present a European flair, and engineering refinements strengthen the Aries reputation for durability and value.

Quality built and backed with total confidence by Chrysler's Five-Year/50,000-Mile Protection Plan covering engine, transaxle, axle, and outer-body rust through. See back cover for details.

Aries LE two-door, in Gunmetal Blue Pearl Coat.

**BEAUTIFUL IN
ANY SETTING.**

Here is a car that represents the latest accomplishments of a front-wheel drive revolution that began seven years ago. Aries is compact yet roomy, with excellent trunk space. It handles with a sporty flair, yet welcomes six passengers into its plush accommodations.

High tech innovations are the keystone to Aries' advanced 2.2-liter four-cylinder engine. It features an electronic feedback carburetor system for improved fuel control. A smooth-shifting four-speed manual overdrive transaxle is standard. TorqueFlite automatic and five-speed man-

ual transaxles are available.

Its fresh new appearance keeps Aries ahead of its time. Stylish, with functional refinements and improved aerodynamics. Aries, Aries SE, and Aries LE two-door sedans. As beautiful in motion as in your driveway.

Aries LE two-door, shown below in Radiant Silver Crystal Coat.

Aries LE two-door interior, shown at right, with available cloth bucket seats, in Charcoal/Silver.

ABOUT THIS CATALOG. Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

Some of the equipment shown or described throughout this catalog is available at extra cost.

THE FOUR-DOOR SEDAN THAT RUNS IN THE FAMILY.

The Aries, Aries SE, and Aries LE four-door sedans carry on the family tradition: six-passenger comfort, contemporary styling, spacious luggage area, reliable performance, affordability, and warranty-backed quality.

Softer lines and styling changes for 1985 emphasize its good looks. New soft coverings beautify and protect front and rear bumper beams. New headlamp bezels, grille, and hood adorn the front end, while the new deck lid and taillamps leave a brilliant impression.

Despite all that's new, the Aries four-door sedan remains loyal to six-passenger comfort, reliable performance, affordability and, of course, road-proven quality.

The Aries SE four-door, shown below in Gold Dust Crystal Coat. Chrysler Corporation is the only major American car company offering 100 percent Clear Coat finish in all colors on every 1985 passenger car.

FIVE-YEAR/50,000-MILE PROTECTION PLAN.

Dodge is so sure of Aries' quality and road-ready dependability that it is backed by Chrysler's Five-Year/50,000-Mile Protection Plan on engine, transaxle, axle and outer panel rust-through. See back cover for details.

IN THE LAP OF LUXURY.

In Aries, up to six passengers can luxuriate in comfort and style not usually available at Aries' prices.

Posture support runs deep in plush seating such as the Aries LE four-door standard Kincaid and

Kelsey cloth bench seats with center armrests, shown below in Light/Medium Tan. A redesigned instrument panel displays high

tech gauges and warning lights that display important information so that Aries and its driver can function in perfect harmony.

The Aries' inner space provides room to stretch out and relax.

Extensive noise dampening materials quiet the ride and add to your relaxation. New inner door panels provide map pockets and stylish trim. Even the new visor vanity mirror reflects the "human engineering" that is

integral to the entire interior design.

The long rides seem short, and the short rides don't seem long enough. In Aries.

THE WAGON THAT GIVES YOU ROOM SERVICE.

Aries is the affordable wagon that shoulders quite a load. With seating for six, 34.9 cubic feet remain for cargo. Or, with the rear seat folded down, there's

room for three passengers and storage space of 67.7 cubic feet. For supplies, for the neighborhood kids, or a picnic in the country, Aries is the wagon that gives you room service.

Plus efficient, reliable front-wheel drive performance, thanks to the 2.2-liter engine and standard four-speed manual overdrive transaxle. Power assisted rack-and-pinion steering

—standard on the luxurious LE model and available on the SE—gives you an edge on maneuverability. Standard power brakes stop a fully loaded wagon efficiently, safely. And rugged front dual-path Iso-Strut suspension

takes the roughness out of roads.

Aries wagon. It's a workhorse you can handle. Effortlessly.

The Aries LE wagon, shown below in Cream Crystal Coat with woodgrain trim.

AN AUTO BIOGRAPHY.

A paradox: The 1985 Aries is a new car with a history of proven performance. This year, restyling and reengineering have added design innovations and efficiencies while retaining the qualities that have made Aries Dodge's very popular six-passenger front-wheel drive family car.

CONTINUING TO KEEP AHEAD OF THE TIMES.

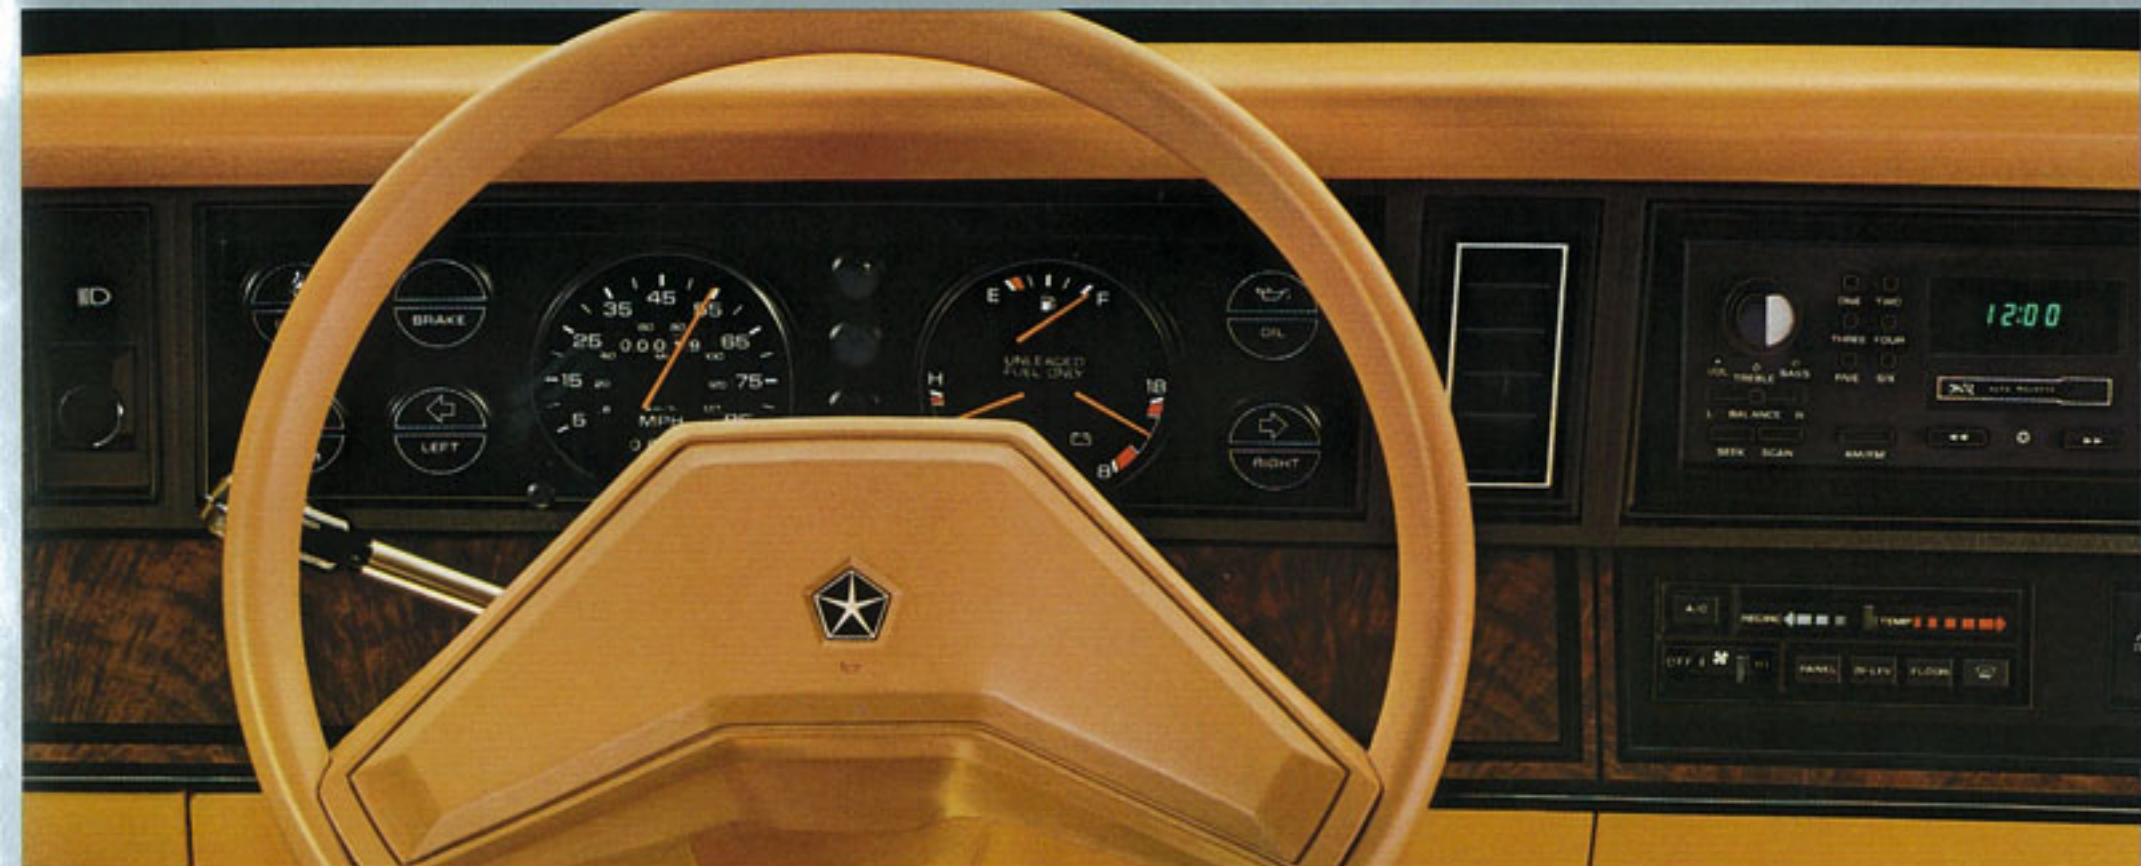

New high tech innovations make the famed Aries standard 2.2-liter engine still more efficient and reliable: A new carburetor lockout solenoid closes during engine warm-up for improved operation. High alloy piston pin

and connecting rod refinements for smoother engine operation. All enhance proven assets that include a computer-monitored Electronic Fuel Control System, long-life components, and transverse mounting.

With standard 2.2-liter engine and four-speed manual over-

drive transaxle, Aries two- and four-door sedans and Aries wagon are rated at **26** EPA EST MPG, 33 estimated highway.*

The smooth Aries ride is the result of dual-path Iso-Strut front suspension with coil springs; trailing flex arm with track bar rear suspension, and resilient

rubber-cushioned mounting points. Steel-belted P175/80R13 radial tires help to smooth and soften the ride.

This exceptional ride is obvious; even with a full load in Aries wagon; and a load here translates into a family vacation with room to relax on the road.

CONVENIENCE AND COMFORT ENHANCE THE ARIES EXPERIENCE.

This high level of efficiency complements a combination of elegance, function, and comfort. A new soft padded cover tops the instrument panel. There's an

array of easy-to-read gauges—trip odometer, fuel level, engine coolant temperature, and voltage gauges—and warning lights for problems with electrical and brake systems, and low oil pressure.

The driver has full control with a deluxe steering wheel (standard on two- and four-door Aries and Aries SE), available rack-and-pinion power steering, TorqueFlite automatic transaxle, automatic speed control, plus standard power brakes with front discs and rear drums. (Aries SE sedan instrument panel, shown here in Tan.)

Aries interior comfort is, in part, the product of superior seating—center armrest bench front seat (or available dual reclining bucket seats with full-length center console), smartly trimmed in wear-resistant cloth on SE and LE sedan models. Aries door panels feature new trim with convenient map pockets.

Aries for 1985: Comfort, room, and driving excellence in a family car that has been reengineered and subtly refined. An affordable car made even more appealing by packages of additional equipment at special savings.

OPTIONAL DISCOUNT PACKAGES FOR ADDITIONAL VALUE.

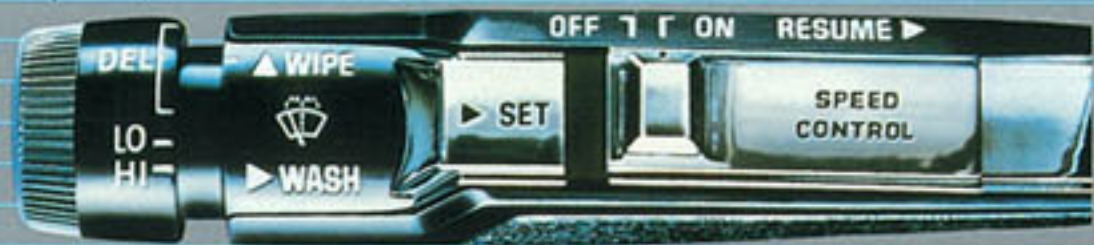

Add even more value and convenience to each new Aries. Discount packages such as the Basic Equipment Package, Popular Equipment Discount Package and the Premium Equipment Discount Package. All in the name of savings that increase the value of Aries. For the complete details of these and other packages, see page 17 or ask your sales representative.

*Use EPA EST MPG number for comparison. Your mileage may differ depending upon speed, weather, and trip length. Actual highway mileage probably will be lower than highway estimate.

COMPLETING THE PICTURE.

AUTOMATIC SPEED CONTROL. Maintains a preset speed for relaxed highway travel (deluxe intermittent windshield wipers required).

TILT STEERING COLUMN. Six positions provide maximum comfort for all drivers (deluxe intermittent windshield wipers required on base Aries).

TORQUEFLITE AUTOMATIC TRANSAXLE. Three-speed fully automatic transaxle provides convenience by allowing you to keep both hands on the steering wheel at all times.

POWER WINDOWS AND DOOR LOCKS. Controls mounted near your fingertips to make locking of all doors and raising and lowering of all windows easy.

PREMIUM SOUND SYSTEM. Features new AM stereo* plus FM stereo, precision electronic tuning, Seek-and-Scan, stereo cassette player with automatic reverse, Dynamic Noise Reduction (DNR),† four speakers, and an integral digital clock.

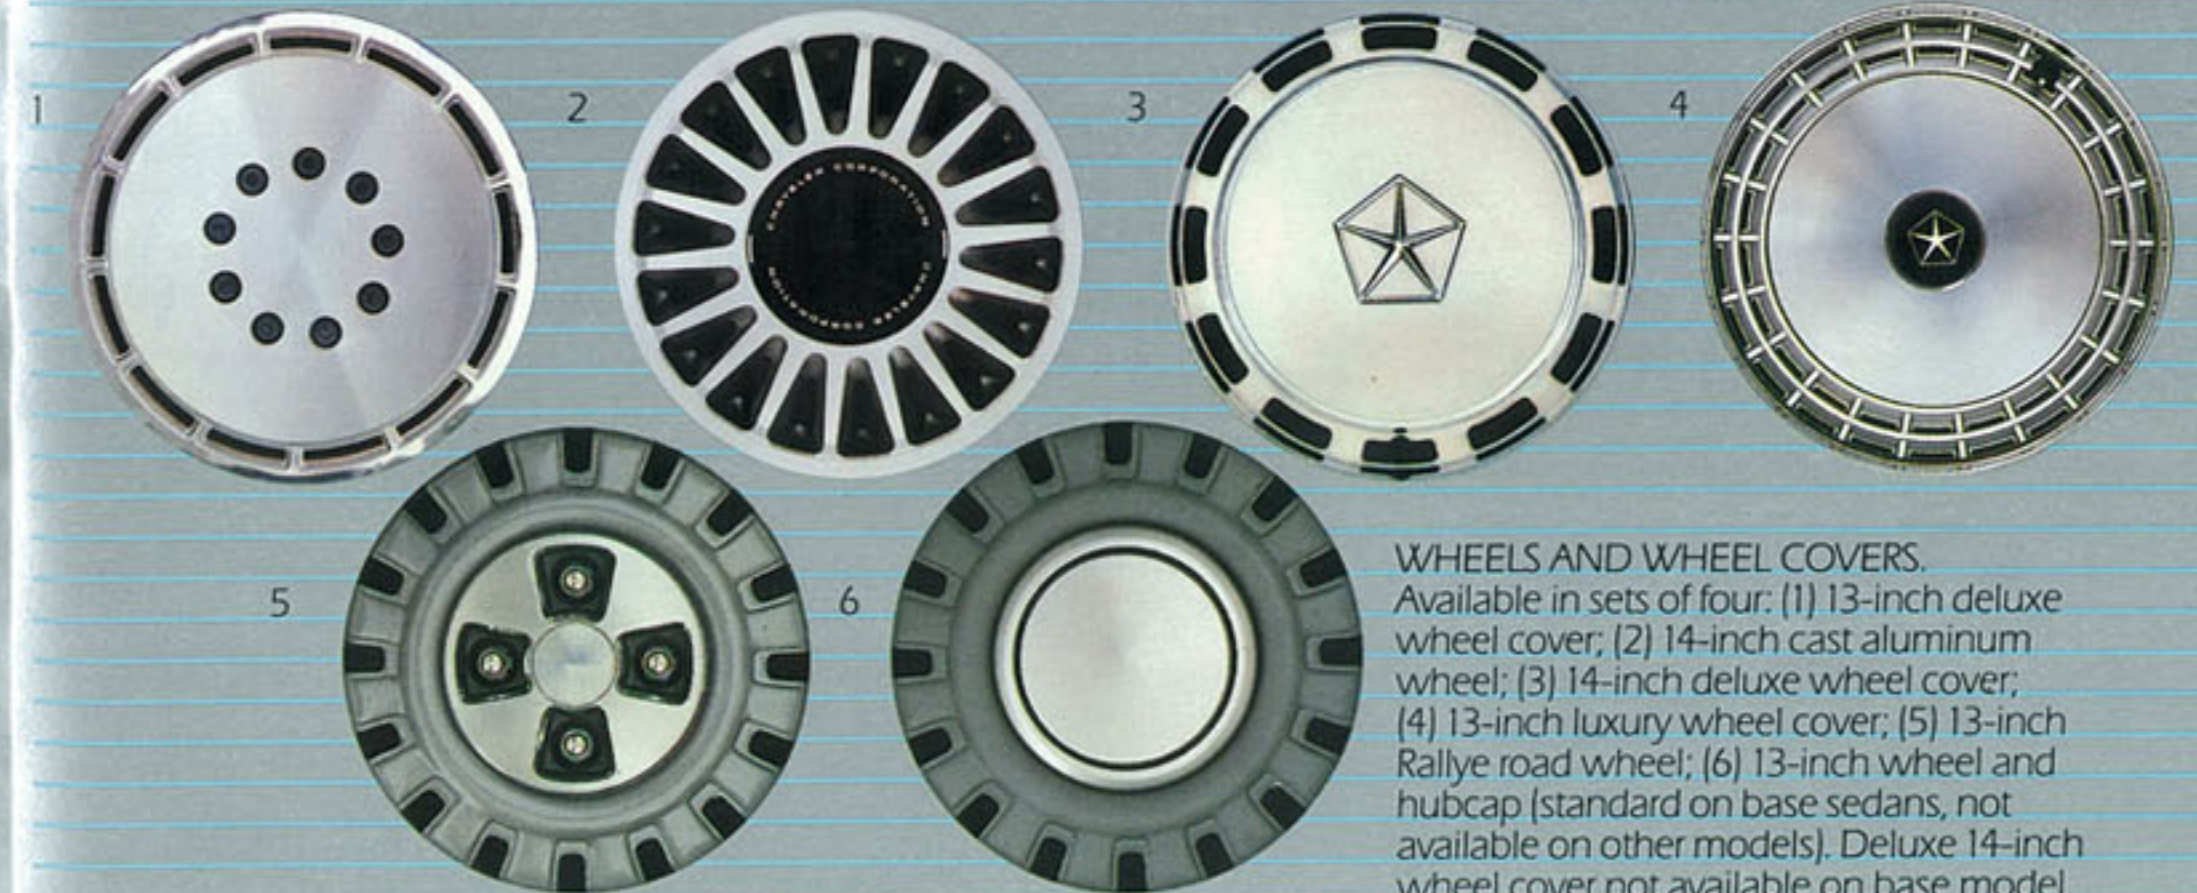

*Limited AM stereo reception may be experienced in some areas because some AM stereo broadcasting is not compatible with this radio's reception capability.
†DNR is a trademark of National Semiconductor Corporation.

AIR CONDITIONING. A four-speed blower distributes cool air through four adjustable outlets in the instrument panel. The bi-level mode directs 70 percent of the cooled air through these outlets; 30 percent is directed to outlets below the instrument panel.

ROOF-MOUNTED WAGON LUGGAGE RACK. The extra cargo carrying ability means more usable room on the inside! Tie-down loops and open channel crossbars help to secure the load.

REAR WINDOW WASHER/WIPER. Features a 35-fluid-ounce reservoir.

WHEELS AND WHEEL COVERS. Available in sets of four: (1) 13-inch deluxe wheel cover; (2) 14-inch cast aluminum wheel; (3) 14-inch deluxe wheel cover; (4) 13-inch luxury wheel cover; (5) 13-inch Rallye road wheel; (6) 13-inch wheel and hubcap (standard on base sedans, not available on other models). Deluxe 14-inch wheel cover not available on base model.

Optional on Aries SE two- and four-door sedans. All-vinyl split-back bench seat with adjustable head restraints and folding center armrest. Available in Medium/Dark Blue, Red, Light/Medium Tan.

Standard on Aries SE two- and four-door sedans. All-vinyl bench seat with adjustable head restraints; split-back on two-door sedan. Available in Medium/Dark Blue, Red, Light/Medium Tan.

Optional on Aries LE two-door sedan, four-door sedan, and SE and LE wagons. Cloth low-back bucket seats with adjustable head restraints and reclining seatbacks. Available in Medium/Dark Blue, Red, Silver/Charcoal, Light/Medium Tan.

Optional on Aries LE two-door sedan, four-door sedan, and SE and LE wagons. All-vinyl split-back bench seat with adjustable head restraints and folding center armrest. Available in Medium/Dark Blue, Red, Silver/Charcoal, Light/Medium Tan.

Standard on Aries LE two-door sedan, four-door sedan, and SE and LE wagons. Cloth split-back bench seat with adjustable head restraints and folding center armrest. Available in Medium/Dark Blue, Red, Silver/Charcoal, Light/Medium Tan.

Optional on Aries two- and four-door sedans. Cloth bench seat with adjustable head restraints; split-back on two-door sedan. Available in Medium/Dark Blue, Red, Silver/Charcoal, Light/Medium Tan.

Standard on Aries SE two- and four-door sedans. Cloth split-back bench seat with adjustable head restraints and folding center armrest. Available in Medium/Dark Blue, Red, Silver/Charcoal, Light/Medium Tan.

Optional on Aries SE two- and four-door sedans. Cloth low-back bucket seats with adjustable head restraints and reclining seatbacks. Available in Medium/Dark Blue, Red, Silver/Charcoal, Light/Medium Tan. *Not available on wagon.

GROUPS AND PACKAGES

Certain models, packages and options are subject to specific restrictions, requirements or late availability. See your dealer for the latest ordering information.

LIGHT PACKAGE (available on all models)

- Buzzer, headlamps-on warning*
- Ignition switch light with time delay*
- Underhood light*
- Map/mirror light[†]
- Ash receiver light*
- Cigar lighter light*
- Glove box light*
- Trunk light[†]
- Rear door dome light switches[†]

*Available in package only. †Base and SE models only.

BASIC EQUIPMENT PACKAGE (base model only)

- AM radio, electronically tuned; with integral digital clock*[†]
- Mirror, left outside remote control; chrome[†]
- Deluxe wheel covers[†]
- P175/80R13 steel-belted radial white sidewall tires

*Standard all models except base. †May be upgraded.

POPULAR EQUIPMENT DISCOUNT PACKAGE (not available on base model or LE wagon)

- P175/80R13 steel-belted radial white sidewall tires
- Light Package
- AM/FM Stereo radio, electronically tuned; integral digital clock
- Power steering
- Left outside remote control mirror; black*
- Tinted glass, all windows
- Bodyside tape stripe

*Standard on LE sedan and SE wagon. NOTE: Radio, mirrors, and tires may be upgraded.

PREMIUM EQUIPMENT DISCOUNT PACKAGE

(not available on base, SE sedan or SE wagon)

- P175/80R13 steel-belted radial white sidewall tires
- Light Package
- AM/FM stereo radio, electronically tuned; integral digital clock
- Power steering*
- Tinted glass, all windows
- Bodyside tape stripe (not available on LE wagon)
- Dual outside remote control mirrors; black*
- Automatic speed control
- Tilt steering column
- Rear window defroster, electric
- Floor mats, front and rear
- Luggage rack[†]
- Liftgate wiper/washer[†]

*Standard on LE wagon. †LE wagon only. NOTE: Radio, mirrors, and tires may be upgraded.

STANDARD SAFETY FEATURES

- Anti-theft trunk lock
- Backup lights
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Combination lap-shoulder belts for the driver and right front passenger; lap belts for all other passengers
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Energy absorbing front seatbacks
- Energy absorbing instrument panel and sun visors
- Energy absorbing steering column or steering wheel
- Fade-resistant front disc brakes
- Front seat head restraints
- Hazard-warning flasher system
- Ignition and steering column lock
- Inside and outside rearview mirrors
- Key-left-in-ignition warning
- Liftgate-ajar warning light
- Safety-Rim wheels
- Seat belt reminder system
- Seatback and station wagon interior panel safety latches
- Seatback latches on folding front seats
- Side door beams
- Side marker

CONSIDER LEASING FROM THE LEASING PROFESSIONALS

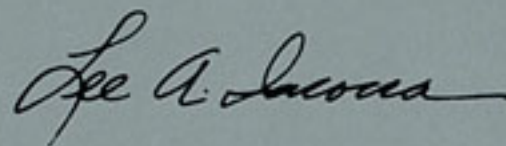

In these days of tight money and high interest rates, more consumers are considering leasing as an alternative to buying. Leasing a new Dodge Aries usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details. All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

At Chrysler we have one and only one ambition: To be the best! What else is there?

That's why we helped convert a smokestack industry into a high-tech industry with robotics, lasers, and highly advanced computers. And that's why today we are building high mileage, front-wheel drive products with outstanding quality. As a result, we have led the American automobile industry with unprecedented warranty coverage. We have proved that "Made in America" means something again.

Chrysler has made major strides in quality which have resulted in a total commitment to stand behind our products. No manufacturer has the right to ask people to buy its products unless it has the confidence to back them. Chrysler has made a unique promise: To back every Dodge we build for five years or 50,000 miles on engine, drive train and outer body rust-through. Nobody else has made that promise.

Today every man and woman at Chrysler has a commitment—a commitment to build the best cars and trucks in the world. Quality. Hard work. Commitment. This is the stuff America is made of. And this is the stuff Chrysler is made of.

CHRYSLER CORPORATION
We Don't Want To Be The Biggest.
Just The Best.

FIVE-YEAR/50,000-MILE PROTECTION PLAN

Warranty protection is a matter of confidence. And Chrysler Corporation is so sure of the care and precision that go into each Aries that they offer the Five-Year/50,000-Mile Protection Plan. It speaks for itself.

Upon expiration of the normal 12-month/12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components, including engine, transaxle and axle—plus outer panel rust-through protection—to five years/50,000 miles, whichever comes first. A deductible may be required. Fleet and lease vehicles excluded. See your dealer for details.

OPTIONAL 5/50 SERVICE CONTRACT COVERAGE.

The 5/50 Added Coverage Service Contract (in Florida, Added Value Plan) provides protection against rising service and parts costs for specified major repairs not included in the 5/50 Protection Plan. Coverage starts on the specified components in the plan after your vehicle's basic 12-month/12,000-mile warranty expires on these components and continues for five years or 50,000 miles (whichever occurs first) from the vehicle's original warranty start date. A deductible applies.

The plan provides an allowance for alternate transportation and towing. Ask your dealer for details.
Buckle up for safety.
