NHTSA FIVE-STAR
SIDE-IMPACT CRASH RATING¹

FOR THE 2012 SOUL

The Soul. A new way to roll.[®]

Out with the old, in with the new.

These days, you don't have to look far to find that one car looks exactly like another. Whatever happened to being unique? To having some personality? Because no matter where you're going, there's always a better way to get there. The 2013 Kia Soul looks different because it is different. With its unique styling inside and out, impressive features and an industry-leading 10-year/100,000-mile warranty program,² it's a new way to roll.

Evolution by revolution.

Forget about trying to define the Soul. It's a leap ahead. Modern styling is highlighted by a wide stance. Soul ! (*exclaim*) models have distinctive front LED accent lights and LED taillights to stand apart from the rest. Simply put, there's no comparison to the Soul.

Soul I (exclaim) shown.

Express yourself.

Think of the Soul as your personal canvas. It's ready for custom touches. Unique colors inside and out for you to choose from. Plenty of optional accessories, like aluminum sill plates for the doors, all-weather floormats and bumper appliqué. For the finishing touch — a sunshade* with the name Soul on it. It's your masterpiece.

The first rule about the Soul...

...have fun. Jump into the Soul and, with its 4-wheel disc brakes and Anti-lock Braking System (ABS), you can take on the road with confidence. Enjoy the strong performance of Soul's 138-hp 1.6L GDI engine or Soul+ (*plus*) and ! (*exclaim*) models' 164-hp 2.0L MPI engine and 6-speed automatic transmission.* An available Eco Package on Soul+ (*plus*) includes Idle Stop & Go (ISG). It automatically turns off the engine when you come to a complete stop and then seamlessly restarts the engine when you release the brake pedal.

With so many possibilities, which way will you roll?

The Soul *plus*.

With the standard equipment you're looking for, the Soul and Soul+ (*plus*) are ready to roll. Both come with an AM/FM/CD/MP3/SiriusXM³ audio system, air conditioning and power windows/locks. In addition, the Soul+ has a 2.0L 4-cylinder engine, leather-wrapped steering wheel/gearshift knob, steering-wheel-mounted audio controls, *Bluetooth*[®] wireless technology,⁴ 16-inch alloy wheels and remote keyless entry. Soul+ also has unique black interior seating you have to see for yourself.

The Soul *exclaim*.

Soul *!* (*exclaim*) takes style to a new level with its sand-black interior, houndstooth design of its seating, or the available leather seat trim with heated front seats. You get all the standard features found on the Soul+ along with larger 18-inch alloy wheels, Infinity^{®5} audio, UVO⁶ in-vehicle infotainment w/HD Radio™ Technology,⁷ power sunroof and fog lights. For a touch of luxury, add the available *!* Premium Package. Pure style.

Surprise! Tons of space and features.

Tons of gear? No problem. Flip down the 60/40 split-folding rear seats. And there's more. 1) While you can't see the hidden tray in the cargo floor, it's there.* 2) Check out the sunroof.* 3) Push-button start.* 4) Pulsating speaker lights.* 5) Heated front seats.* 6) Dual-level glove box. 7) Power-folding mirrors.* 8) Voice-command navigation system and automatic climate control.* 9) USB/aux for your MP3. An accessory cable lets you control your iPod®⁸ mobile digital device with the stereo controls.

It's called "Soul" for a reason.

Because it's got soul. And it's got music. And life is good when you have music. It has standard USB/auxiliary input jacks that let you plug in practically any kind of MP3 player. A complimentary trial subscription to over 130 channels of SiriusXM Satellite Radio³ with commercial-free music, plus sports and entertainment. For serious sound quality, an Audio Upgrade Package* includes UVO⁶ in-vehicle infotainment w/HD Radio™ Technology system and an Infinity® audio system with a center speaker, subwoofer and external amplifier. Streaming audio lets you play music from your compatible *Bluetooth*^{®*4} wireless technology-enabled cell phone through the audio system.

Kia UVO*⁶ Powered by Microsoft.⁹

Technology keeps giving us new ways to be entertained, stay in touch and access information. Getting to enjoy this, however, used to be complicated, especially while driving. UVO, short for “your voice,” is an available infotainment system that uses advanced voice-recognition technology to simplify the use of your cell phone⁴ and MP3 player. Instead of memorizing difficult voice commands and menus, UVO lets you use your compatible cell phone⁴ to make hands-free calls, receive and respond to text messages, listen to streaming audio, enjoy your personal music, and play your favorite song, artist or genre of music — all by giving a single, intuitive voice command. With its innovative technology, UVO makes infotainment remarkably easy to enjoy.

COLOR TOUCH SCREEN

A vivid 4.3-inch LCD touch screen delivers access to your phonebook from your compatible cell phone.⁴

VOICE CONTROL

UVO can learn multiple users' speaking patterns. Finding a song is as easy as saying its title.

DIGITAL JUKEBOX

An in-dash hard drive can hold up to 700MB of music. You can load tunes into personal folders.

HD RADIO™

UVO offers available HD Radio™ Technology — 100% subscription free.

REAR-CAMERA DISPLAY†

Whenever you shift into reverse, an image from an integrated rear camera is displayed on the screen.¹⁰

Side-impact door beams

Tire-Pressure Monitoring System (TPMS)¹²

4-wheel disc brakes

Anti-lock Braking System (ABS)

Electronic Stability Control (ESC)

Vehicle Stability Management (VSM)

Hill-start Assist Control (HAC)

Advanced safety systems designed to expect the unexpected.*

Soul's active safety systems are engineered to help you avoid accidents, and its passive systems are designed to help minimize injuries when they are unavoidable. This means that front to back and top to bottom, Soul is engineered to help enhance everyone's well-being. Six airbags placed throughout the cabin are designed to help protect occupants. The advanced front airbag system monitors the severity of an impact, the presence of a front passenger and seat-belt use, and then controls airbag inflation accordingly.¹¹ Front seat-belt pretensioners have been designed to tighten the seat belts in the event of certain collisions, helping to reduce the likelihood of injuries. The result? Safety awards from IIHS and NHTSA for added peace of mind.

A passion for excellence.

For decades, Kia Motors has focused on building vehicles that reflect a commitment to quality, durability and product innovation. Today, we offer models to suit most every driving need. The value found in every Kia vehicle has been widely recognized,¹³ and Kia Motors has been one of the fastest-growing automotive brands in America for the past five years.¹⁴

Industry-leading warranty program.

At Kia Motors America, we believe peace of mind should come standard with every vehicle we make. That's why we back every model with an industry-leading warranty program.²

- 10-year/100,000-mile limited powertrain warranty
 - 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
 - 5-year/60,000-mile 24-hour roadside assistance¹⁵

Commitment to America.

Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant is capable of producing 360,000 vehicles a year. The Sorento crossover and Optima midsize sedans are currently being built at this plant.[†] In addition to producing high-quality vehicles, more than 3,000 new jobs were created at the facility plus 7,500 additional jobs in the surrounding area. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

Endnotes

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov).

² The Kia 10-year/100,000-mile warranty program includes various warranties and roadside assistance. Warranties include powertrain and basic. All warranties and roadside assistance are limited. See retailer for warranty details or go to kia.com.

³ SiriusXM service requires a subscription, sold separately, after 3-month trial included with vehicle purchase. **If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel.** See our Customer Agreement for complete terms at www.siriusxm.com. Programming subject to change. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous USA, D.C., and PR (with coverage limitations). Traffic information not available in all markets. See siriusxm.com/traffic for details. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.

⁴ A compatible *Bluetooth*[®] wireless technology enabled cell phone is required to use *Bluetooth*[®] wireless technology. The streaming audio function may not be supported in all *Bluetooth*[®] wireless technology enabled cell phones. The *Bluetooth*[®] word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks is pursuant to license. Other trademarks and trade names are those of their respective owners.

⁵ Infinity[®] is a registered trademark of Harman International Industries, Incorporated.

⁶ Warning: Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle. Actual product may vary in appearance from photographs. Navigation not available with UVO system. See retailer for details.

⁷ HD Radio[™] and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corporation.

⁸ Kia accessory cable required for iPod[®] mobile digital device connectivity when using with navigation system. Cable and iPod mobile digital devices sold separately. iPod and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. Apple is not a participant or sponsor of this promotion.

⁹ Microsoft[®] and Windows[®] are registered trademarks of Microsoft[®] Corporation in the United States and/or other countries.

¹⁰ The rear-camera display is not a substitute for proper and safe backing-up procedures. The rear-camera display may not display every object behind the vehicle. Always drive safely and use caution when backing up.

¹¹ For maximum protection, always wear your seat belt.

¹² Even with the Tire-Pressure Monitoring System, always check your tire pressure on a regular basis.

¹³ Kia Motors received the best Total Cost of Ownership for overall brand for 2012 according to Kelley Blue Book's kbb.com. 2012 model-year vehicle's projected ownership costs are based on the average Kelley Blue Book Total Cost of Ownership data for the initial five-year ownership period. For more information, visit www.kbb.com.

¹⁴ Based on 5-year cumulative growth between 12-month retail sales for periods ending October 2007 and October 2012 of all U.S. automotive brands.

¹⁵ 24-hour Roadside Assistance is a service plan provided by Kia Motors America, Inc. See retailer or kia.com for details.

¹⁶ NBA Identifications are the intellectual properties of NBA Properties, Inc. ©2012 NBA Properties, Inc. All rights reserved.
