2015
OPTIMA

Brilliant design, stirring performance

With world-class engineering, exceptional performance and advanced safety systems, the 2015 Kia Optima gives you good reason to be passionate about driving a midsize sedan. It combines bold exterior styling with a spacious and luxurious interior. Technologically advanced available features* make driving more convenient than ever and give you more choices in entertainment. Like all Kia models, every Optima comes with an industry-leading, 10-year/100,000-mile warranty program¹ — a reflection of its outstanding quality and reliability.

¹ See Specifications page for endnote. * Not all optional features are available on all trims. Some features may vary. Cover: LIMITED SHOWN. This page: SX TURBO SHOWN.

Optima Limited

A blend of performance, elegance and technology makes the Optima Limited an exceptionally compelling midsize sedan. A Gasoline Direct Injection (GDI) turbocharged engine generating 274 horsepower delivers exhilarating acceleration and is complemented by a six-speed Sportmatic® transmission. Distinctive exterior styling includes chrome accent trim, 18-inch chrome wheels, front and rear red brake calipers, High-Intensity Discharge (HID) headlights and LED fog lights.

Unsurpassed elegance and refinement

Featuring a choice of striking white, gray or black premium full-grain Nappa leather trim, Optima Limited combines elegance with comfort. Ventilated front seats, heated front seats and rear seat cushions, and a heated steering wheel help ensure year-round driving comfort. A black cloth headliner, black gloss interior accents and chrome door handles further add to the interior's sophisticated design.

LIMITED SHOWN.

As comfortable and luxurious as it looks

Optima combines striking styling and meticulous craftsmanship. Spacious seating accommodates up to five adults. A driver's seat with power-adjustable lumbar support and available features like leather seat trim* and a power-adjustable front passenger seat* provide first-class comfort. For added versatility, rear seats feature a 60/40 split-folding design and a foldout armrest with cupholders. Rear air vents* also allow backseat passengers to adjust their own direct airflow.

1. HEATED STEERING WHEEL* Driving during colder months is more pleasant with the available heated steering wheel. **2. DRIVER'S MEMORY SEAT*** Available memory with presets allows two drivers to lock in their personal settings for the driver's seat and outside rearview mirrors. **3. VENTILATED FRONT SEATS*** Enjoy optimal comfort in warm weather with available ventilated driver and front passenger seats that circulate air through perforations in the seat leather. **3. HEATED FRONT SEATS*** Available heated front seats and rear seat cushions help ensure comfortable driving in cold weather. **4. PANORAMIC SUNROOF*** Brighten any drive with the available panoramic sunroof. The front portion of the sunroof tilts and slides. **5. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL*** Available temperature control allows the driver and front passenger to create their own climate zones. Rear-seat passengers can adjust a separate vent.*

*See Features page for availability. Not all optional features are available on all trims. Images shown for illustration purposes only. LIMITED SHOWN.

Visionary technology

Optima's technologically advanced features are designed to make every drive more convenient. *Bluetooth*[®] wireless technology² puts streaming audio at your command when using a compatible *Bluetooth*[®] wireless technology-enabled device. Available features include convenient voice-command navigation with SiriusXM Traffic,^{3*} an Infinity^{®4} audio system* with excellent audio performance, and a Supervision meter cluster with a Thin-Film Transistor (TFT) color LCD* that's exceptionally easy to read.

1. PADDLE SHIFTERS* For sportier driving, available steering-wheel-mounted⁶ paddle shifters give you precise control of the six-speed Sportmatic[®] transmission. **2. POWER-FOLDING OUTSIDE MIRRORS*** Easily fold outside mirrors in or out using an available door-mounted control or key fob. **3. MOOD LIGHTING*** Red-tinted mood lamps are available on the front doors and lower-center console, contributing to the interior's sporty style. **4. PUSH-BUTTON START*** Start or stop the engine with the push of a button with the available Smart Key remote, even when you have the key fob in your pocket or purse. **5. REAR-CAMERA DISPLAY*** This available feature helps you see things behind your vehicle that you might not see by looking over your shoulder. **6. BACK-UP WARNING SYSTEM*** An available sonar sensor system is concealed in the rear bumper. When you back up, an audible warning is given if the system detects objects behind your vehicle. **7. SIRIUSXM[®] SATELLITE RADIO³** Get over 150 channels of commercial-free music, plus sports, news and talk in your Kia. With All Access, enjoy 160+ channels on your computer, smartphone and tablet. **8. ELECTRONIC PARKING BRAKE** On the Limited model, it provides convenient operation, automatically releasing the parking brake when you shift out of Park.

It's nice to be well connected

LOCAL SEARCH POWERED BY GOOGLE™*

UVO eServices^{6*} can access Local Search powered by Google™ when it is connected wirelessly to an internet hotspot.⁶

ADVANCED VOICE RECOGNITION*

UVO eServices^{6*} advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free⁶ use of your phone — with simple, intuitive verbal commands.

MY POINTS OF INTEREST*

UVO eServices^{6*} allows you to use a web-enabled computer to send locations that you find on Google Maps™ mapping service to the navigation system for route guidance.

PARKING MINDER™**

Parking Minder can record your vehicle's location whenever you park. Then you can use your compatible smartphone⁷ to help find your car. It also lets you take pictures of the surrounding area for reference, write a reminder note or set an alarm if you're parked at a meter.

911 CONNECT®*

In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices^{6*} can also transmit your vehicle's location to the emergency services operator.

ENHANCED ROADSIDE ASSIST®*

You can call for roadside assistance by touching an icon on the smartphone⁷ app⁶ screen. UVO eServices^{6*} then sends your location to the Call Center and connects you to an operator.

VEHICLE DIAGNOSTICS™*

Vehicle Diagnostics lets you perform a diagnostics check at any time or schedule one on a regular basis. Diagnostics Trouble Code (DTC) automatically alerts you to schedule an appointment or request roadside assistance if the system detects a critical powertrain issue.

UVO — short for "your voice." Optima is available with the innovative UVO eServices⁶ Infotainment System with voice-command navigation.* It provides you with an easy, hands-free⁶ way to connect to your vehicle by seamlessly integrating your compatible smartphone⁷ with your Optima. UVO eServices^{6*} also

lets you stream music, download Apps from the App Download Center,* monitor your vehicle's driving habits, access 911 Connect^{8*} or Enhanced Roadside Assist,^{9*} and check maintenance requirements with Vehicle Diagnostics^{10*} on the large 8" capacity touch screen.* Additionally, there are no subscription fees⁶ to enjoy all these benefits.

3, 6, 7, 8, 9, 10, 11, 12, 13, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Actual component appearance may vary. Siri compatible with iOS 6 and above only. UVO eSERVICES INFOTAINMENT SYSTEM WITH VOICE-COMMAND NAVIGATION SHOWN.

UVO eSERVICES APP⁶

An available free app allows you to integrate your compatible smartphone⁷ with your vehicle — and make the most of UVO eServices.^{6*} This app can be downloaded at the App StoreSM and Google Play™ Store.¹¹

MY CAR ZONE*

My Car Zone provides Curfew, Speed and Geo Fence alerts based on your targeted presets. You may also use the touch screen to check driving habits — including the history of preset violations for curfew time, speed limit or geographical radius parameters.

eSERVICES⁶ GUIDE*

To learn more about UVO eServices^{6*} features, you may access an automated user manual by using the touch screen on the vehicle.

VOICE-COMMAND NAVIGATION*

The available voice-command navigation system has a vivid 8-inch color screen and delivers continuously updated high-way conditions from SiriusXM Traffic.³

MYUVO.COM WEB/MOBILE*

MyUVO.com lets you check Vehicle Diagnostics^{10*} and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

APP DOWNLOAD CENTER*

Wirelessly connect to an internet hotspot⁶ and download available apps to your Optima.

APPLE^{®13} SIRI[®] COMPATIBLE*

UVO eServices^{6*} enables you to access your iPhone^{®s}¹³ Siri with the vehicle's steering-wheel-mounted⁶ controls.

Blurring the distinction between midsize sedan and sports car

Exhilaration is standard with Optima. The key to its exciting performance is a 192-horsepower, 2.4L Gasoline Direct Injection (GDI) engine. Or you may choose Optima SX Turbo or Optima Limited, which are both equipped with a turbocharged, 2.0L GDI I4 engine that delivers 274 horsepower. For an even sportier driving experience, Optima features a standard six-speed Sportmatic® transmission.

SMOOTH, PRECISE HANDLING

Four-wheel independent suspension features front MacPherson struts and a rear multi-link design with high-performance dampers for a smooth ride and agile handling.

SPORTMATIC® TRANSMISSION

The six-speed automatic transmission provides smooth, seamless shifting. Its Sportmatic® function allows you to choose between automatic mode or, for even sportier driving, clutch-free manual shifting.

FUEL EFFICIENCY¹⁴

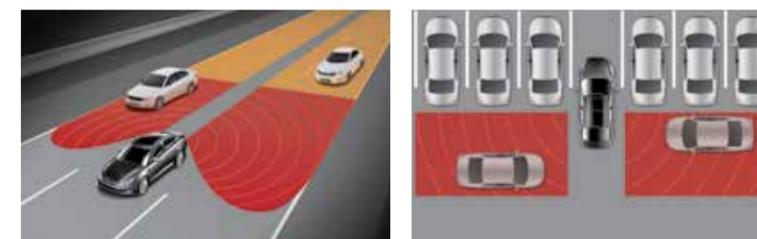

A “smart” alternator, Electric Power Steering and low-friction tires help improve overall fuel economy.¹⁴ With the push of a button, the Active Eco System adjusts the engine and transmission calibration to help optimize fuel efficiency.¹⁴

HID HEADLIGHTS*¹⁴

Available LED accent lamps with High-Intensity Discharge (HID) headlights provide bright, crisp lighting. Available LED fog lights* and rear taillights* add to its stylish design.

BLIND-SPOT DETECTION WITH REAR CROSS-TRAFFIC ALERT^{5*}

This available radar system helps detect vehicles in the driver's blind spots, alerting the driver with a warning light in the side mirrors. Rear Cross-Traffic Alert helps detect approaching vehicles while in reverse.

VEHICLE STABILITY MANAGEMENT (VSM)

VSM adds steering direction control capability. It intervenes when appropriate to help the driver regain control of the vehicle.

ELECTRONIC STABILITY CONTROL (ESC)

ESC monitors your vehicle's response during emergency maneuvers. It can then control the engine and brakes to help keep your Optima on course.

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheel spin during vehicle acceleration, it uses engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)

If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

HILL-START ASSIST CONTROL (HAC)

To help keep you from rolling backward when starting off on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

ANTI-LOCK BRAKING SYSTEM (ABS)

ABS is the foundation of an active safety system and helps to contribute to driver confidence. The system helps provide greater vehicle control when stopping in difficult conditions like wet or slippery roads.

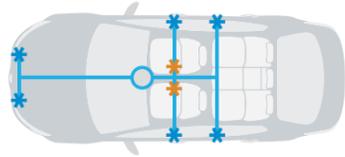

Advanced safety systems to help handle unexpected conditions

Safety systems help add peace of mind in certain situations. That's why all Optima models are equipped with advanced safety systems engineered to help you maintain control, even in challenging road conditions and in some emergency situations.[†] They function automatically, leaving you free to focus on the road.

**NHTSA Overall 5-Star
Crash Safety Rating¹⁵**

For the 2015 Optima

AIRBAG & SEAT BELT SENSORS

This advanced system monitors the severity of certain impacts, the presence of a front passenger and seat belt use, and then controls airbag inflation accordingly.¹⁶

FRONT SEAT BELT PRETENSIONERS

Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

HEIGHT-ADJUSTABLE SEAT BELT ANCHORS

The front height-adjustable seat belt anchors allow the driver and front-passenger seat belts to be raised and lowered for a proper fit.

FRONT & REAR 3-POINT SEAT BELTS

Three-point seat belts are standard for all five seating positions, so that each person is protected with an over-the-lap and shoulder seat belt.

SIDE-IMPACT DOOR BEAMS

All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES

Front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the structural integrity of the passenger compartment in certain collisions.

LATCH SYSTEM

The Lower Anchors and Tethers for Children (LATCH) system is standard and makes it easier to securely install a compatible child seat at either end of the rear seat.

Designed to help protect driver and passengers

Optima is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.¹⁶

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. Inflated airbags and images shown for illustration only. ¹⁶ See Specifications page for endnote. LIMITED SHOWN.

TAKING ON THE COMPETITION

The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia’s belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with proven track records, and after two podium finishes early in the 2014 season you can look for Kia in the winner’s circle at racetracks across America in the months ahead.

COMPELLING DESIGN

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia’s designers with pride.

COMMITMENT TO AMERICA

Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.* Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 14,000 jobs in West Point and the surrounding areas. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

INDUSTRY-LEADING WARRANTY PROGRAM¹

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.¹

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

DONORSCHOOSE.ORG

Kia is committed to providing assistance to those in need. That’s why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Together with thousands of citizen philanthropists, Kia has raised more than \$5 million to fund more than 10,000 projects across all 50 U.S. states, impacting more than 1.5 million high-need public school students in just two years.

Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. Kia’s dedication to quality and value has been widely recognized — one reason why Kia has been named as a top 100 brand in Interbrand’s Best Global Brands 2013 report.¹⁷ In addition, Kelley Blue Book’s KBB.com has announced the recipients of its Brand Image Awards, naming Kia as the 2014 Best Value Brand. This honor recognizes our success at producing fuel-efficient and affordable vehicles.¹⁸
