

2007 SUBARU

MODEL LINE

WHAT MAKES

A SUBARU, A SUBARU?

It is the spirit of innovation

to heighten your enjoyment of every journey.

To give you control on the road

and help protect you at every turn.

It is the **confidence you feel** with every press of the pedal.

CONTROL
TO HELP AVOID AN ACCIDENT.

ENGINEERING
TO HELP SURVIVE ONE.

Every Subaru was designed to achieve the highest crash test scores in its class. But to help keep you from having to test it out yourself, we've engineered the vehicles to provide active driving with the control of standard Subaru Symmetrical All-Wheel Drive and the stability of our SUBARU BOXER engine. Then we equipped it with active safety features that help you to negotiate unexpected situations. When a collision becomes unavoidable, numerous passive safety systems help minimize the effects of an impact. It all adds up to a multi-dimensional approach to safety that results not only from selected features, but from every aspect of the vehicle. **It's what makes a Subaru, a Subaru.**

LEGACY

HIGHEST

possible crash-test ratings.

– Insurance Institute for Highway Safety

IMPREZA

Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program. Visit Safercar.gov for more information. Rating based on Insurance Institute for Highway Safety 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, and 20-mile-per-hour rear-impact test. For more information, contact the Insurance Institute for Highway Safety or visit their website at www.iihs.org.

TECHNOLOGY

ELEVATES THE JOURNEY.

At Subaru, we believe that the point of technology is to enhance the drive. So we designed every feature to be easy to use so that you won't be distracted from piloting the vehicle. Whether it is to fill the cabin with your favorite tunes or show you exactly where you are, each amenity is engineered to engage you with your Subaru and the road, ultimately delivering an experience even more fulfilling than the destination.

Satellite Radio

Listen to rock, jazz, oldies, news, sports—or almost any genre you can imagine—in digital clarity, no matter where your journey may take you. Most Subaru models are prewired to receive XM® or SIRIUS™ Satellite feed with additional equipment and your paid subscription.

Premium Audio System

Subaru offers an available 6-disc in-dash CD changer to keep the music flowing without interruption. The B9 Tribeca is available with a 9-speaker audio system, while the Legacy and Outback can be equipped with the SRS WOW 3D audio enhancement. And most models come with an auxiliary audio jack for portable media players that keep your playlists handy accessible.

Navigation System

The available navigation system guides the way across town, across state lines or across the country. And you can access it all with some simple taps on the easy-to-use touch-screen. When you're in reverse, the screen switches to a real-time view of what's behind you from the available rear-view camera mounted above the license plate area.

Some features not available on all models. See specifications section for more information.

Subaru SI-DRIVE

Enhancing the outstanding power and efficiency of the horizontally opposed SUBARU BOXER engine is the newly available 3-mode Subaru Intelligent Drive (SI-DRIVE) performance management system. Put it in Intelligent mode for smoother response, greater control on slippery roads and fuel efficiency. Dial it up to Sport for quick throttle feedback and linear acceleration. For full-on propulsion, the Sport Sharp mode delivers more power sooner, greater low-end thrust and maximum enjoyment.

HOW FAST DO YOU
WANT TO GO TODAY?

B9 TRIBECA | INNOVATION, IN A MOST DYNAMIC FORM.

B9 Tribeca Limited shown in Diamond Gray Metallic with Special Edition Package.

Bring everyone, and everything, you want.

The B9 Tribeca is the biggest, most versatile Subaru ever, with flexible seating for up to seven. With high levels of refinement, plenty of cargo and storage space, and premium features like dual-zone climate control and available 2-position driver's seat memory, it's no wonder that the Tribeca was awarded "Best Premium Priced CUV interior" at the Ward's Auto Interiors Show. And it remains every inch a Subaru—a driver's vehicle riding on a performance-tuned 4-wheel independent suspension with the added stability of Vehicle Dynamics Control (VDC). All moved by a smooth 245-horsepower 6-cylinder engine. Imagine the possibilities.

NAVIGATION SYSTEM Find exactly where you are and where you're going with the available navigation system. It also displays maintenance reminders, a calendar, calculator and controls for vehicle settings. And a rear vision camera shows you what's behind you when you're in reverse.

AUDIO SYSTEM Music appreciation is elevated courtesy of the available premium 9-speaker system with its 6-disc in-dash CD changer. Every B9 Tribeca is also equipped with an auxiliary audio jack and steering-wheel-mounted controls.

DVD ENTERTAINMENT SYSTEM Catch the latest DVD release on the available rear-seat entertainment system with a 9-inch screen and wireless headphones. You can even watch on the multifunction display when you're parked.¹

SPECIAL EDITION PACKAGE Available on both the 5- and 7-passenger models, it's outfitted with a distinctive chrome mesh grille and unique chrome-finished 18-inch alloy wheels. Inside, you can enjoy XM Satellite Radio through the high-quality audio system.²

¹ When equipped with available navigation system.
² Required monthly subscription sold separately. See your dealer.

64

SEATING CONFIGURATIONS Suitcases. Shopping. By adjusting the seats, you get 64 unique configurations so that you can be ready for it all. Both the 5- and 7-passenger versions provide up to 74.4 cu. ft. of cargo capacity.

OUTBACK | AN IDEAL FUSION OF RUGGEDNESS AND VERSATILITY.

OUTBACK

2.5i BASIC WAGON | 2.5i WAGON | 2.5i LIMITED SEDAN AND WAGON
2.5 XT LIMITED WAGON | 3.0 R.L.L.BEAN® EDITION SEDAN AND WAGON

The adventure begins where the paved road ends.

Nature beckons. Respond with the capability of the Outback. With up to 8.7 inches of ground clearance, you can travel over rocky surfaces. Yet unlike most SUVs, on-road performance is not compromised. With your choice of a fuel-efficient 175-horsepower 4-cylinder engine, a turbocharged 4-cylinder with 243 horsepower or an ultra-smooth 245-horsepower 6-cylinder, the Outback unites everything you want in a car with everything you need in an SUV.

L.L.BEAN EDITION Infuse distinct style into Outback ruggedness. Inside, you'll find exclusive interior treatments, including seats trimmed in embossed two-tone perforated leather. It's also equipped with an in-dash 6-disc CD changer, dual-zone climate control and a powerful 6-cylinder engine mated to a convenient 5-speed automatic.

AUDIO SYSTEM Take pleasure in your favorite tunes. Every Outback is pre-wired to receive XM® Satellite Radio feed. Plug in your iPod® or virtually any portable media player in the new auxiliary audio jack. And you can be dazzled by the multi-layered sound of the available SRS WOW 3D audio enhancement.

SI-DRIVE Slippery situations pose little problem when you put the 3-mode Subaru Intelligent Drive (SI-DRIVE) performance management system of the 2.5 XT Limited Wagon into Intelligent mode. It also maximizes fuel efficiency. Rotate to Sport for spirited acceleration, or to Sport Sharp for greater thrills.

NAVIGATION SYSTEM Whether it is to that out-of-the-way diner or the secluded spot in the woods, the available navigation system guides the way. And you can access it all with some simple taps on the touch-screen.

60/40-SPLIT FOLDING REAR SEATS Both the wagon and sedan let you transport a myriad of different sized objects. Put down one seatback for stuff and one or two friends. Or fold both rear seatbacks for full access to the cargo or trunk area.

LEGACY | STYLE THAT'S ABUNDANT WITH SUBSTANCE.

LEGACY

2.5i SEDAN AND WAGON | 2.5i SPECIAL EDITION SEDAN AND WAGON
2.5i LIMITED SEDAN AND WAGON | 2.5 GT LIMITED SEDAN AND WAGON | 2.5 GT SPEC. B SEDAN

Appeals to the senses. Stimulates the mind. Tempts the heart.

As its name suggests, the Legacy is endowed with years of heritage and development. Yet it also embodies our latest innovation and technology. It engages the driving enthusiast with its nimble sport-tuned suspension and precise steering. Motivates with your choice of the fuel-efficient 175-horsepower 4-cylinder or the vigorous 243-horsepower turbocharged engine. Invites the touch with an interior rich in refinement. And captures the eye with its elegant exterior. It's the sedan and wagon that inspires as much pleasure as confidence.

2.5 GT SPEC. B Delivering all the excitement of the 2.5 GT Limited, the spec. B takes it a step beyond with an aggressively tuned suspension with Bilstein® shocks. Aluminum suspension components to help improve performance. A 6-speed manual transmission. And unique interior and exterior modifications. It's the most vigorous Legacy yet.

SI-DRIVE Maximize engine performance and efficiency with the newly available 3-mode Subaru Intelligent Drive (SI-DRIVE) performance management system that controls engine characteristics to suit your driving needs—or desires.

NAVIGATION SYSTEM The most scenic route to your destination may also be the one that best highlights the performance potential of your Legacy. Find out with some taps on the easy-to-use touch-screen of the available navigation system.

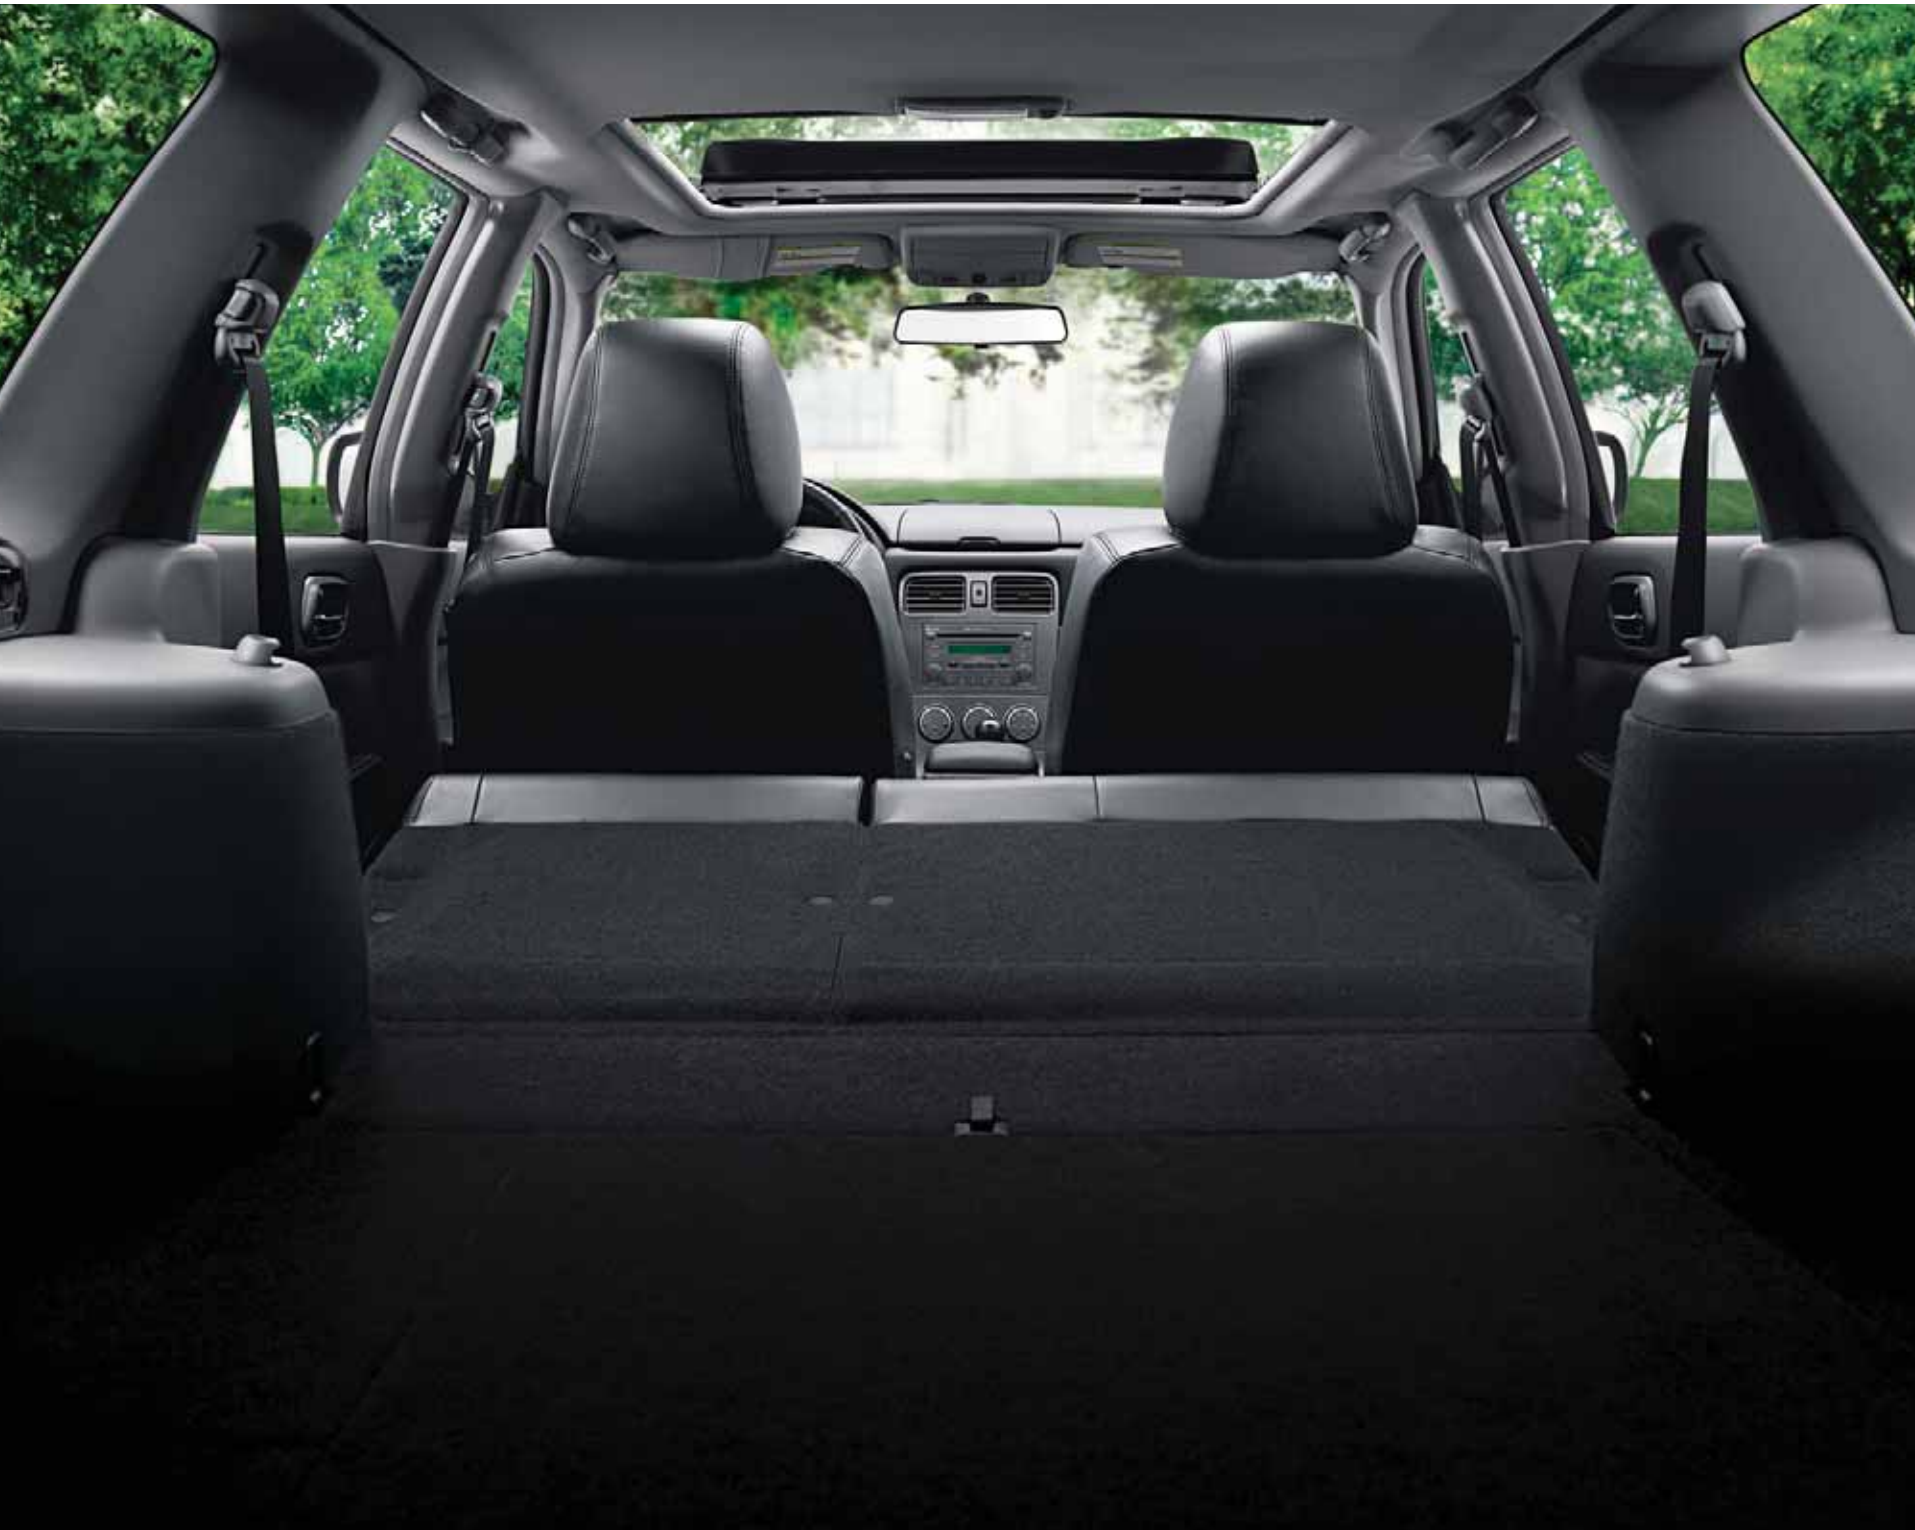

AUDIO SYSTEM Whether you prefer baroque chamber music or hard rock, you can indulge your tastes with the available audio system with SRS WOW 3D enhancement. Every Legacy is pre-wired to receive XM® Satellite Radio feed, or plug in your iPod® or virtually any portable media player in the new auxiliary audio jack and let your playlist soar.

FORESTER | "BEST SMALL SUV" THREE YEARS IN A ROW!

FORESTER

2.5X | SPORTS 2.5X | 2.5X L.L.BEAN® EDITION | SPORTS 2.5 XT | 2.5 XT LIMITED

Thoughtfully designed, inside and out.

Its intelligent size and remarkable versatility redefine what a sport utility can do. Its agile handling takes the SUV to new levels of drivability. And it provides the most valuable asset of all—peace of mind. Whether you value the economy of a spirited 173-horsepower SUBARU BOXER engine or the surprising acceleration of a 224-horsepower turbocharged powerplant, the Forester pleases the driver with its confidence-inspiring handling. And its smartly proportioned interior and exterior let you fit all the accoutrements of your busy life. No wonder the experts at *Car and Driver* named it “the Best Small SUV” three years running.¹

68.6

VERSATILITY The cargo area offers a highly adaptable space. Its 60/40-split folding rear seats give you flexibility in fitting people and objects within its spacious 68.6 cu. ft. of maximum cargo capacity. And a cargo-area under-floor storage with a compartmentalized tray keeps small items organized and out of sight.

PANORAMIC MOONROOF Enjoy the great outdoors without ever leaving the car. The available panoramic moonroof lets in the sun and the breeze.

¹ *Car and Driver*, March 2006.
² See your dealer for availability.
³ Required monthly subscription sold separately. See your dealer.

SPORTS² Get exclusive style and interior amenities. The Sports 2.5X gives you a special front fascia, a premium audio system and Anthracite Black cloth upholstery. The Sports 2.5 XT adds 17-inch alloy wheels as well as enhanced stability with Vehicle Dynamics Control when equipped with the 4-speed automatic transmission.

AUDIO SYSTEM Audiophiles, rejoice. The Forester gives you your choice of a single-disc or 6-disc in-dash CD changer, and an available 7-speaker premium audio system. It's equipped with an auxiliary audio jack for your iPod® and pre-wiring to receive SIRIUS™ Satellite Radio feed.³

L.L.BEAN EDITION Like its namesake, ruggedness meets style. Inside the dual-toned exterior are L.L.Bean-exclusive leather trim, a wood-and-leather MOMO® steering wheel and a self-leveling rear suspension to help maintain optimal vehicle ride height when carrying a load.

IMPREZA | DISCOVER THE LIBERATING POWER OF CONTROL.

2.5i SEDAN AND SPORT WAGON | 2.5i SPECIAL EDITION SEDAN
OUTBACK SPORT WAGON | OUTBACK SPORT WAGON SPECIAL EDITION

Impreza 2.5i Sedan shown in Urban Gray Metallic.

Giving you mastery over the road and destination.

A car that's modest in price doesn't have to mean trade-offs. In the Impreza, the only premium compact sedan and sport wagon to give you the control and safety of standard Subaru Symmetrical All-Wheel Drive, all of its desirable qualities unite to form a unique vehicle to fit your unique life. It gives you the luxury of focusing on driving without giving up the versatility and flexibility you need for everyday use. You won't miss a minute of the action when you're motivated by a 173-horsepower engine. And with its nimble handling and agility, you'll find yourself volunteering to drive your friends every chance you get.

INTERIOR Step inside the Impreza to find an environment designed to provide comfort, enjoyment and support. The meaty 3-spoke steering wheel rests ideally in your grip. The sport-designed front seats provide maximum comfort. Choose the 2.5i Special Edition¹ to get a power moonroof, a premium audio system and automatic climate control.

OUTBACK SPORT It's the Impreza spirit, infused with a healthy dose of ruggedness. It has all the versatility of the Impreza so that you can bring everything you need for your journey, along with a raised suspension for composure over rough roads. The Special Edition also provides an auxiliary audio jack and standard installed equipment to access SIRIUS[™] Satellite Radio feed.²

¹ See your dealer for availability.

² Required monthly subscription sold separately. See your dealer.

Outback Sport shown in Newport Blue Pearl/Urban Gray Metallic with accessory kayak carrier.

VERSATILITY The cargo area of the sport wagons offer 27.9 cu. ft. of space when both rear seats are in use. Lower one of the 60/40-split seatbacks for seating and cargo flexibility, or lower both to maximize the available 61.6 cu. ft. of storage space. You can also recline the front-passenger seat flat for even greater versatility.

IMPREZA WRX | LET YOUR ADRENALINE SURGE.

WRX TR SEDAN | WRX SEDAN AND SPORT WAGON
WRX LIMITED SEDAN AND SPORT WAGON

Impreza WRX Limited Sedan shown in Crystal Gray Metallic.

Invigorate yourself with every turn of the ignition.

Every component of the Impreza WRX has been engineered to elevate the very meaning of fast. With an intercooled turbocharged powerplant capable of 224 potent horsepower, the WRX delivers a jolt of intense excitement. And with a proven chassis and a 4-wheel independent suspension tested and tuned in the relentless heat of World Rally Championships, the Impreza WRX is engineered to perform like it's a telepathic expression of your will.

224 HP

INTERIOR Every drive is enhanced when the car is equipped with features to make the trip more enjoyable. Choose between the premium cloth upholstery or the luxury of leather. Make way for sunshine and breeze with the available moonroof. Get uninterrupted music with an available in-dash 6-disc changer, or use the new auxiliary audio jack to plug in your media player. Most every WRX is pre-wired to receive 100% commercial-free music with SIRIUS™ Satellite Radio.¹

PERFORMANCE With a hood scoop to aid air intake to the intercooler, the turbocharged 2.5-liter engine of the WRX delivers 224 potent horsepower. Peak torque of 226 lb-ft is reached at a low 3,600 rpm, thanks to the Active Valve Control System increasing overall breathability for more power throughout the rev range. Pair it up with your choice of the smooth-shifting 4-speed automatic or the close-ratio 5-speed manual.

¹ Required monthly subscription sold separately. See your dealer.

Impreza WRX STI Sedan shown in WR Blue Pearl with accessory SPT* performance exhaust system.

Impreza WRX STI Limited Sedan shown in Satin White Pearl.

Unadulterated thrills. Unwaveringly bold.

The 293-horsepower turbocharged WRX STI takes the intensity of ultra high-performance rally driving and replicates it for on-road use. Riding on a race-tuned 4-wheel independent suspension with inverted struts and 17-inch BBS wheels halted by Brembo® ventilated disc brakes, the WRX STI exhilarates with technology developed over decades of racing to increase strength, speed and agility.

STI INTERIOR Step into the WRX STI to find an environment unlike you've seen before. The STI-specific performance-design front seats, upholstered in Blue Alcantara, hug you while you hug the road. An audio system with an in-dash 6-disc CD changer, satellite radio pre-wiring and auxiliary audio jack sets the mood. And the gauges are specially designed to make you feel at one with the asphalt.

DCCD It's our most performance-driven Symmetrical AWD system ever. The Driver Controlled Center Differential (DCCD) lets you manipulate the front/rear torque split to create specific dynamics for your individual driving situation or to match driving conditions. Or put the AWD in automatic mode for automatic adjustment of the center diff.

STI LIMITED With its subtle rear spoiler, it may look sophisticated. Polite. But its aggressive hood scoop, ground effects and 17-inch aluminum alloy wheels with sticky, wide tires let everyone know of its true intentions. Only 800 will ever be made, and a center-console-mounted plaque marks its unique place in the production run.

STI, polished.

You can have all of the performance potential and equipment of the WRX STI, only now you can enjoy it all from the comfort of heated front seats. Feel the breeze from the power moonroof. Appreciate the feel of the Anthracite Black leather-trimmed upholstery. With its refined interior and sleeker exterior, it's civilized, but not compromised.

SUBARU OWNERSHIP BENEFITS

Enjoying your Subaru for years to come—that’s the promise of our comprehensive warranties and roadside assistance program. It’s a fact attested by the 96% of Subaru vehicles sold in the past 10 years that are still on the road today.¹ It’s the confidence you feel when you get behind the wheel.

NEW CAR LIMITED WARRANTY
3 years or 36,000 miles, whichever comes first.

POWERTRAIN LIMITED WARRANTY
5 years or 60,000 miles, whichever comes first.

WEAR ITEM LIMITED WARRANTY
3 years or 36,000 miles, whichever comes first.

RUST PERFORATION LIMITED WARRANTY
5 years, unlimited mileage.

THE SUBARU ROADSIDE ASSISTANCE PROGRAM covers all 2007 Subaru vehicles during the first 3 years or 36,000 miles, whichever comes first. By calling the toll-free number in the Owner’s Information Kit, Subaru owners can take advantage of any of the following benefits:

24-hour Roadside Assistance, seven days a week, 365 days a year, throughout the United States.

Emergency Towing Service to the nearest authorized Subaru dealer.

Emergency Roadside Assistance for jump starts, gasoline (up to two gallons), flat tire change, emergency lock-out service (lost key or key is locked in the vehicle) and emergency fluid replacement.

SUBARU ADDED SECURITY[®] could be the most important option you choose. Protect your investment with a Subaru Added Security extended service contract—the **only** one backed by Subaru of America, Inc. Ask your salesperson for coverage details and assistance in selecting the plan that’s best for you, up to 7 years or 100,000 miles.

SUBARU.COM begins your Subaru experience. Here, you can find extensive information, including specs, photos and reviews. Build your own Subaru, locate dealers and schedule a test drive. After your purchase, activate your free My.Subaru site, where Subaru owners can track their vehicle’s service history, schedule service appointments, receive special offers exclusive to My.Subaru members and much more.

For complete warranty and program information, including coverage and exclusions, see your Subaru dealer.

- Limited edition individually numbered plaque

¹ Based on R. L. Polk & Co. vehicle registration statistics for period ending 7/31/05. ² The Supplemental Restraint System (SRS) (air bags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions (additional side-impact protection when equipped with side curtain air bags and/or side-impact air bags, depending on model). This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. ³ Some 2007 Outback and Legacy models with the naturally aspirated 2.5-liter engine distributed for sale in California (and in Maine, Massachusetts, New York and Vermont, which have adopted California Specification Emission Control Systems and Warranties and are registered for use in those states) will be specially equipped to meet the California-certified Partial Zero Emission Vehicle (PZEV) credited Super Ultra Low Emission Vehicle (SULEV2) requirements. The manufacturer's PZEV emission control system warranty coverage is for 15 years or 150,000 miles, whichever comes first. For complete warranty information, including coverage and exclusions, see your Subaru dealer. ⁴ With manual transmission. ⁵ Not available on 2.5i Basic Wagon. ⁶ With automatic transmission. ⁷ See your dealer for availability.
