

CITATION II

Chevrolet
Citation

Introducing Citation II. The Versatile Performer.

It's a sedan. It's a wagon. It's a sporty car. It's the front-drive Citation II, the Chevrolet that can be just about any car you want it to be. Citation II is compact on the outside — just 15 feet long for easy parking and maneuverability. But inside, there's mid-size room for five adults. Plus, a full-size 19.6-cubic-foot covered cargo area for your weekend luggage or weekday work gear. You can turn Citation II into a first-class luxury travel experience with options like the CL Custom Interior. And if your work or play suddenly calls for a station wagon, Citation II Hatchback opens up to a wagon-sized 35 cubic feet of cargo room. The convenience of Electronic Fuel Injection is standard (see p. 10). And you can specify the available computer-controlled, High Output 2.8 Liter V6 engine

and the road-holding F41 Sport Suspension option to make your Citation II cut and run like a sporty X-11. Well over one million owners have enjoyed this kind of versatile performance. You'll find Citation II an even better value for 1984. For all the engineering refinements made to our "Versatile Performer" since its introduction, turn the page and take a close look at Citation II.

Cover: Citation II Hatchback Sedan.

Citation II 4-Door Hatchback with CL Custom Interior.

Important: A word about this catalog. We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

Citation II. The Product of Years of Engineering Refinement.

Why give our Versatile Performer a new name? Just to let you know that this extraordinarily successful design has received extensive engineering refinement over the past several years. You'll see many of the key improvements listed here which are designed to help make today's Citation II ride better, last longer and offer increased front-drive traction. What haven't we changed? Just those things that made Citation the best-selling new Chevrolet in history. So you still get compact exterior dimensions with surprising interior room and comfort for

five. And our hatchback still features a full-size, 19.6-cubic-foot covered cargo area that becomes a wagon-sized 35 cubic feet of cargo space with the rear seat folded. Take a close look at the years of engineering refinement you can buy for today's Citation II price. And see how Chevrolet took a good idea and made it even better.

Ride.

- Redesigned rear shocks.
- Improved heavy-load bump cushioning.

Passenger Comfort.

- Retuned body mountings for improved road noise isolation.
- Improved body-supporting front seat.

Corrosion Protection.

- Increased use of coated metals and zinc-rich primers.
- Extended stone-abrasion-resistant underbody application.

Performance.

- Easy-rolling, high-pressure all-season, M+S-rated (mud and snow), steel-belted, radial tire tread design (see details, p. 10).
- Manual transmission "Upshift" indicator light.

Performance.

- Standard Electronic Fuel Injection (see p. 10 for details).
- More road-sensitive available rack-and-pinion power steering.
- Improved steering feel from a refined column and shaft design.
- Optional automatic transmission features converter clutch that engages at highway speeds.

Ride.

- Retuned front strut damper assembly and absorber valving.
- Retuned front strut jounce bumper.
- Redesigned front stabilizer bar.
- Engine mountings that further reduce vibration.

Citation II Hatchback Sedan.

Inside Citation II. Room for Five Six-Footers.

Citation II's unexpected dimensions help explain why it's so much more versatile than ordinary cars. On the outside, Citation II is about the size of many compact cars. But inside, you get room for five six-footers with a generous 35.5 inches of rear leg room in our 4-door hatchback models. To make all that interior room even more comfortable, there's an optional CL Custom Cloth Interior that's available in bench or buckets. The bench includes a center armrest on the sedan. The bucket seats recline. However you choose to equip your Citation II, you get cut-pile carpeting, molded one-piece acoustical headliner and a column-mounted, multi-function control for turn signals, headlamp dimmer and windshield wiper/washer operation. Add the new available electronic speed control with resume feature and you can also raise or lower your cruising speed without removing your hands from the steering wheel. With interior comfort and features like these, Citation II helps make long-distance driving pure pleasure.

Citation II CL Custom Interior with available bucket seats.

X-11 Notchback Coupe.

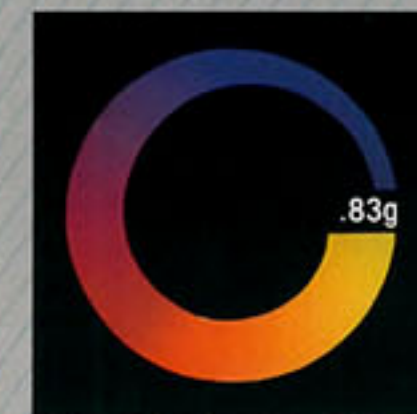

X-11's available special instrumentation puts all the critical performance information right in front of you. Available sport steering wheel also shown.

X-11. Action Added.

Our X-11 is for drivers who want even more sport than Citation II. With the X-11, our engineers have exploited Citation II's natural roadworthiness to create a car that performs. On mountain roads and desert straightaways. With front-drive traction for rain and snow. First they dialed in Chevrolet's famed F41 Sport Suspension to the performance characteristics of available Eagle GT low-profile, steel-belted radials mounted on 14" aluminum alloy wheels. The result: X-11's maximum lateral acceleration tested at .83g.* Then they gave X-11 a special domed hood with functional air intake and a specific exhaust system to let the standard High Output 2.8 Liter V6 breathe. Power front disc brakes and 4-speed manual or available automatic transmission make X-11 ready to go or stop on command. And specific graphics and body accents let everyone know your X-11 is "bred for excitement." The X-11

Hatchback features up to 35 cubic feet of cargo capacity. And both hatchback and notchback models give you 5-passenger leg, hip, head and shoulder room for long-distance driving comfort. You won't find a more versatile sporty hatchback on the road.

* GM Test Track skidpad results: .83g

Features & Options

Electronic Fuel Injection Like Corvette's at Citation II's Price.

Citation II's standard 2.5 Liter engine features Electronic Fuel Injection (E.F.I.) for dependable starts, smooth drivability and efficient combustion. This advanced system works with GM's Computer Command Control to adjust Citation II's air/fuel mixture over 80 times per second to deliver the following advantages:

- Dependable cold starts without flooding delays from pumping the accelerator. Reduces chance of battery failure or starting motor burnout.
- Dependable hot starts without vapor lock delays.
- Self-adjusting idle to help prevent stalling when cold and fuel waste when warm.
- Helps prevent loss of engine performance between recommended service intervals.
- Automatic idle increase when accessories are engaged to help maintain battery charge.
- Efficient combustion for clean-running engine and emissions control.
- Automatic adjustment to changing altitudes to minimize power loss and fuel waste.

2.5 LITER E.F.I.

- Rapid engine response to opened throttle.
- Reduced maintenance (no choke, carburetor, accelerator pump or needle valve adjustments required).
- Available air conditioning switches off automatically under full throttle for better acceleration.
- Self-pressurizing system provides easy starts after refilling without "priming the carburetor" if you run out of gas.

2.8 Liter V6 and High Output 2.8 Liter V6 engines are available on all Citation II models.

An optional console adds a sporty flavor to your Citation II (available only with optional bucket seats).

*Not available with Sport Decor Package.
†Metallic.
**Not available with X-11 Sport Equipment Package.

The available electronic speed control with resume feature now permits you to increase or decrease cruising speeds with the touch of a finger.

New standard all-season, M + S-rated (mud and snow), steel-belted radial ply tires are designed for low noise and long wear with excellent performance in all driving conditions.

Chevrolet Citation IIs are engineered for low-cost service. All maintenance work is designed for conveniently scheduled service intervals.† High-energy ignition, self-adjusting hydraulic valve lifters and computer-adjusted carburetion are designed to reduce maintenance costs. Manual transmission clutches are self-adjusting for long life. And front disc brakes feature audible wear indicators. In addition to the recommended service, shown at right, Chevrolet recommends periodic inspection of hoses, belts, spark plug wires, fuel lines, tires and other areas for trouble-free, low-cost operation. See your dealer for details.

†Service intervals are designed for normal driving conditions. More frequent service may be required. Ask your dealer when you take delivery.

Appearance and Protection

- Body pin striping
- Bumper guards, front and rear
- Bumper rub strips, front and rear
- Color-keyed floor mats, front and rear
- CL Custom Interior trim (not available on 2-dr. coupe)
- Custom Two-Tone paint
- Deluxe Exterior: Includes side window reveal molding, tricolor tail lamps and body pin striping (includes Value Appearance Group on 2-dr. coupe)
- Dual horns
- Mirrors: Remote-control outside rearview, left-hand; Sport, left-hand remote and right-hand manual (included with Sport Decor Package). All mirrors black finish
- Molding, body side and door edge
- Tinted glass
- Sport Decor Package (2-dr. models only): Includes black-accented body highlights; Body-color bumpers with rub strips; Decals, lower body side striping and rear deck spoiler (hatchback only); Sport mirrors; also includes Rally wheels and trim rings*
- Value Appearance Group

Citation II Recommended Service Intervals

Chassis lube Oil change	Every 12 months or 7,500 miles.
Oil filter	12 months or 7,500 miles; every 15,000 miles thereafter.
Engine coolant	Every 24 months or 22,500 miles.
Spark plugs Air cleaner PCV inspection EGR cleaned/inspected	Every 30,000 miles.
Auto. trans. fluid	Every 100,000 miles.

(2-dr. coupe only): Includes bright rocker panel moldings, wheel opening moldings and deck-lid stripe (included with Deluxe Exterior on 2-dr. coupe).

Comfort and Convenience

- Air conditioning (requires power steering and brakes)
- Auxiliary Lighting: Includes headlamps-on warning buzzer plus luggage compartment, underhood, glove box, ashtray and courtesy lights
- Comfortlit steering wheel
- Console (requires bucket seats)
- Electric rear window defogger
- Electronic speed control with resume and speed adjustment features (requires power brakes)
- Gage package
- Intermittent windshield wiper system
- Power brakes
- Power door lock system
- Power steering
- Power windows
- Quartz electric clock
- Quiet Sound/rear compartment decor (hatchbacks)
- Remote swing-out side windows (hatchbacks only).

Performance

- F41 Sport Suspension
- Heavy-duty battery
- Heavy-duty cooling
- Heavy-duty front and rear suspension
- X-11 Sport Equipment Package: Includes High Output V6 engine, 4-speed manual transmission, power brakes, special domed hood with air intake, specific exhaust system, body-color bumpers with rub strips, decals, rear deck spoiler (hatchback only); Black grille, headlamp bezels and oil-black-accented body highlights; F41 Sport Suspension includes 14" X 6.5" aluminum alloy wheels and P215/60R blackwall steel-belted radial ply tires.

Audio Equipment

GM-Delco radio equipment: All radios include dual front speakers; all stereos also include dual rear speakers.

- AM radio (2-dr. coupe only)
- AM/FM radio
- AM/FM stereo radio
- AM/FM stereo radio with cassette tape

- Dual rear speakers (monaural radios).

Tires and Wheels

- P185/80R-13 steel-belted radial ply white-stripe†
- P205/70R-13 steel-belted radial ply white-lettered (requires F41 Sport Suspension)†
- P215/60R-14 steel-belted radial ply Eagle GT white-lettered (with X-11 Sport Equipment Package only)
- Rally wheels (includes wheel trim rings).

*Available on Notchback Coupe 1984 interim.
†GM all-season specification.

GM Continuous Protection Plan

An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1984 model year. Ask your dealer about this option.

Citation II Hatchback Coupe with Sport Decor Package.

Safety Features

Every GM car is designed with your safety in mind. Safety is a goal from the first sketches of a new car, through design models and prototypes, up to final production. We are the leaders in safety testing. In fact, most of the technology necessary for crash tests and research used in the industry has been developed by the GM safety team.

Occupant Protection

Manual lap/shoulder belts with push-button buckles for driver and right front passenger (driver's side includes visual and audible warning system) ■ Manual lap belts with push-button buckles at rear passenger positions including center ■ Energy-absorbing steering column ■ Passenger-guard inside door lock handles ■ Safety interlocking door latches ■ Inertia-type folding front seat-back latches ■ Energy-absorbing instrument panel and front seat-back tops ■ Laminated safety glass windshield/tempered safety glass side and rear windows ■ Safety armrests ■ Front seat head restraints for driver and right front passenger (adjustable).

Accident Avoidance

■ Side marker lights and reflectors ■ Parking lamps that illuminate with headlamps ■ Four-way hazard warning flasher ■ Backup lights ■ Lane-change feature in direction signal control ■ Windshield defrosters, washer and dual-speed wipers ■ Vinyl-bonded inside rearview mirror glass ■ Outside left rearview mirror ■ Dual master cylinder brake system with warning light ■ Starter safety switch ■ Dual-action safety hood latch.

Anti-Theft

■ Audible anti-theft ignition key reminder ■ Anti-theft steering column lock ■ Inside hood release.

A word about assembly, components and optional equipment in these Chevrolets.

The Chevrolets described in this catalog are assembled at facilities of General Motors Corporation operated by the GM Assembly Division. These vehicles incorporate thousands of different components produced by various divisions of General Motors and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name. With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

A word about engines.

Some Chevrolets are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your dealer for details.

Let's get it together... buckle up.
