

SPARK 2018

CHEVROLET

Spark ACTIV in Splash
(interim availability).

**IT'S NOT SMALL.
IT'S FUN SIZE.**

It's expressive. It's versatile. Spark is a fun small car that's nimble and perfect for getting you into all the hot spots – even those tiny hard-to-find parking places. Spark also has technology that will keep you in touch with the world.

Spark ACTIV takes our 1LT model to the next level with a unique suspension package, heated leatherette seats and extra features that create a more rugged look.

Spark offers up to an estimated 39 MPG highway¹ (Spark ACTIV shown offers 38 MPG highway¹ with 5-speed manual) so you'll never run out of fun.

¹ Spark has an EPA-estimated 29 MPG city/39 highway with 5-speed manual transmission and 30 MPG city/38 highway with available Continuously Variable Transmission (CVT). Spark ACTIV has an EPA-estimated 29 MPG city/38 highway with 5-speed manual transmission and 30 MPG city/37 highway with available CVT.

Wi-Fi IN YOUR SPARK. Chevrolet offers OnStar® 4G LTE plus an available built-in Wi-Fi® hotspot¹, providing a fast and reliable connection with bandwidth for up to seven devices, offering a better in-vehicle experience than your smartphone.

myChevrolet Mobile App. This available smartphone app² gives you access to certain features of your vehicle even when you're nowhere near it. If your vehicle is properly equipped, you'll be able to remotely lock/unlock the doors, flash your lights and honk your horn, set parking reminders and more.

GO FROM HERE TO THERE. With OnStar Turn-by-Turn Navigation³ (included in the limited service trial of the OnStar Guidance Plan⁴), simply push a button and tell an Advisor where you want to go. Directions are quickly downloaded to your Spark, and a voice calls out every turn.

SIRIUSXM SATELLITE RADIO⁵

This available feature allows you to listen to over 150 channels of commercial-free music from every genre, all at your fingertips, 24/7. You can listen everywhere – in your vehicle, at home, on your computer or on your smartphone.

1. Apple CarPlay™ COMPATIBILITY! Take some of your favorite compatible iPhone® features and put them on your vehicle's touch-screen display in a smart, simple manner. Access your Phone, Music, Maps and Messages, as well as some of your other favorite apps.

2. ANDROID AUTO COMPATIBILITY. You can quickly and intuitively interact with select smartphone apps with support for Android Auto.™² This system takes some of your compatible Android phone's features and puts them on the instrument panel touch-screen. You can access your phone, text messages, music, navigation and more.

3. KEYLESS OPEN AND START. As long as the key fob is in your pocket or purse, the doors will conveniently unlock when you approach the vehicle. And once you're inside, you can start your Spark with a simple touch of a button. (Standard only on 2LT.)

INTERIOR DESIGN

Spark is highly space efficient with hatchback versatility. There's seating for four and 11.1 cu. ft.¹ of cargo space with the rear seats upright and 27.2 cu. ft.¹ with the rear seats folded down. Plus, you can enjoy fresh air on all of your adventures with the available power tilt/sliding sunroof.

SURROUNDED BY STYLE. From premium materials and an unexpectedly quiet ride to our latest technology, Spark is built to surpass expectations. Color-coordinated seats are designed for comfort, with standard heated front seats on ACTIV and 2LT models. The center stack provides easy access to information, and Chevrolet signature blue ambient lighting guides you to port connections.

Spark 2LT interior in Jet Black with Beige seat inserts and dash trim (available only with Toasted Marshmallow exterior color).

¹ Cargo and load capacity limited by weight and distribution.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

YOUR VERY OWN SAFETY SQUAD.

FORWARD COLLISION ALERT. This available feature helps identify vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Spark is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

REAR VISION CAMERA. Standard on Spark, the rear vision camera displays a view of the area immediately behind the vehicle on the touch-screen – making it easier to see what’s behind you while backing up.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

STABILITRAK® ELECTRONIC STABILITY CONTROL.

In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Spark on track. This innovative safety technology is especially helpful during emergency maneuvers and difficult driving conditions.

10 STANDARD AIR BAGS! Every Spark includes dual-stage frontal and knee air bags for driver and front passenger, head-curtain side-impact air bags for front and rear outboard passengers, and front and rear seat-mounted side air bags.

ONSTAR AUTOMATIC CRASH RESPONSE? In a crash, built-in sensors can automatically connect you to a specially trained OnStar Advisor who will get the right help right away – even if you can’t ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the OnStar Guidance Plan³ and comes with a limited service trial.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.

² Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³ Visit onstar.com for coverage map, details and system limitations.

NEW VEHICLE LIMITED WARRANTY

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN

LIMITED WARRANTY Every 2018 Chevrolet Spark comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

Chevrolet will warrant each 2018 Spark from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET COMPLETE CARE Every new 2018 Chevrolet Spark includes two visits for maintenance (oil and filter changes, tire rotations and multipoint vehicle inspections). Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.
