

2018 LINCOLN MKX

REDEFINING THE LUXURY EXPERIENCE

At Lincoln, we believe that luxury extends far beyond material possessions. Which is why, along with the intuitive features and luxury appointments of your Lincoln MKX, you will receive an exclusive collection of services we call the Lincoln Way.[™] These liberating benefits are designed to help uncomplicate your life. Making each day more effortless – and empowering you to soak up every brilliant, wonderful moment along the way.

ITS WELCOMING EMBRACE MARKS YOUR ARRIVAL

There's a comforting reassurance to the way Lincoln MKX recognizes your approach and warmly greets you with a series of illuminating gestures. Dynamic signature lighting¹ beneath each HID headlamp gracefully flows outward, while other exterior LED lamps fade on, and luminous welcome mats quietly appear on the ground. The LED lights in its door handle pockets glow with an intensity that's fine-tuned to your chosen exterior color. Ambient lighting¹ puts on a show inside, followed by the autofold¹ sideview mirrors deploying to your personalized settings as you relax into your seat. Your Lincoln MKX has been expecting you.

¹Available feature.

Twin-Turbocharged 2.7-liter V6¹

3.7-liter Ti-VCT V6

335 hp²/**380** lb.-ft. torque²

303 hp/**278** lb.-ft. torque

EMPOWERING YOU IN EXHILARATING WAYS

When elegance and intensity converge, remarkable ideas take shape. Lincoln MKX exemplifies this progressive way of thinking. From the moment you take the wheel, a feeling of confidence washes over you.

Whether you're commanding the Twin-Turbocharged 2.7-liter V6¹ or the standard 3.7-liter Ti-VCT V6, you'll notice the smooth response of the 6-speed SelectShift[®] automatic transmission with paddle shifters. The 2.7-liter employs turbochargers to provide you with a virtually instantaneous surge of power on demand, while the 3.7-liter uses twin independent variable camshaft timing to help optimize fuel combustion. Whichever you select, you're sure to enjoy its performance.

¹Available feature. ²Horsepower and torque ratings achieved with 93-octane fuel.

DISCOVER ITS ELEGANT DESIGN

Allow yourself to be enveloped by this stunning environment. Delight in the harmony of its graceful lines, accented by genuine wood¹ or aluminum¹ trim. Enhance the atmosphere with ambient lighting¹ in your choice of 7 hues, as the convenient memory feature recalls your preferred placement of the driver's seat, power-tilt and -telescoping steering column,¹ and heated sideview mirrors. Put yourself pleasantly in control with a heated¹ steering wheel.

The dramatic, flowing suspension bridge between the instrument panel and center console is a beautiful benefit of the placement of its sleek transmission shifter buttons. This design also provides plenty of space for the travel essentials that make Lincoln MKX distinctly yours.

¹Available feature.

NURTURE YOUR SPIRIT IN A QUIET SPACE

Serenity awaits. From the acoustic-laminate glass in its windshield and front doors to the tuning of its tires, Lincoln MKX is designed to be your sanctuary. The artisans of Lincoln even utilize the audio systems in their quest for quiet. By sending precisely chosen sound waves through your speakers, Active Noise Control¹ cancels out unwanted noise and refines engine sounds. The result is a thoroughly calming ambience. As you relax inside, breathe in the luxurious scent of Bridge of Weir Deepsoft™ leather¹ created exclusively for Lincoln by the historic Scottish tannery. Engage the Active Motion® massage functionality of the heated and cooled Ultra Comfort front seats¹ to help reduce muscle fatigue in your upper legs and lower back. Heated rear outboard seats¹ help keep your passengers cozy, while they enjoy the most 2nd-row head and leg room in its class.²

Suddenly, there's more power in your kick. With the Hands-Free Liftgate,¹ your key fob can stay tucked away in your pocket or bag while you simply kick your foot beneath the rear bumper. The liftgate effortlessly opens to reveal a flat load floor and abundant space with both sides of the 60/40 split rear seat folded down. Once you've loaded your cargo, close the liftgate with the press of a button, or with another kick.

¹Available feature. ²Class is Luxury Midsize Utilities based on Lincoln segmentation.

LINCOLN
SYNC® 3

Feel free to speak your mind. Lincoln MKX listens. With its SYNC 3 enhanced voice-activated technology,¹ you can control calls, music and more with just a touch and your voice. You'll find audio, phone, navigation² and other features concisely presented on the responsive touchscreen in the middle of your instrument panel. SYNC AppLink^{®3} lets you control compatible mobile apps by voice. Plus, seamless integration with Siri[®] Eyes Free brings the power of your paired iPhone[®] into your vehicle. SYNC 3 also includes Apple CarPlay[™] compatibility⁴ and Android Auto[™] compatibility.⁴ The Voice-Activated Touchscreen Navigation System² features vivid 3-D maps with pinch-to-zoom capability. And automatic updates over Wi-Fi⁵ provide the latest SYNC 3 software as new updates become available.

Passengers can connect up to 10 devices at a time using the 4G LTE Wi-Fi hotspot capability of Lincoln Connect.^{™6} Let them surf the web, stream music and more while you're on the go, and up to 50' away from the vehicle when it's parked. For help making the most of this or any other Lincoln MKX feature, remember your Lincoln Concierge is available 24/7.

STAY CONNECTED WITH VOICE-ACTIVATED SIMPLICITY

Music has the power to calm and soothe... invigorate and liberate. Whatever your preference, our expertly engineered Revel[®] and Revel Ultima[®] audio systems² can deliver a level of precision and musical accuracy you won't just hear – you'll feel. It's as if you're seated in the "Audience" or right up "On Stage" when you use the personalized listening modes.

Enjoy outstanding, multidimensional sound in every seat courtesy of QuantumLogic[®] Surround sound technology, Revel Waveguides, and advanced cabin correction tuning. The 19-speaker Revel Ultima audio system uses patented Clari-Fi[™] music restoration technology to enhance satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

INTENSIFY YOUR AUDIO ENJOYMENT

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Certain restrictions, 3rd-party terms, or message and data rates may apply. See your Lincoln Dealer for details. Commands may vary by phone and AppLink software. ⁴Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁵Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. ⁶See footnote 1 on "Your 2018 Lincoln MKX Standard Features" page, and your Lincoln Dealer for details.

BECOME ONE WITH THE ROAD

Imagine yourself gliding along – blissfully at peace. Lincoln MKX can take you there, courtesy of its Lincoln Drive Control¹ featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. Adaptive Steering¹ helps your vehicle feel taut and stable at higher speeds, yet very agile and fluid at lower speeds. The technology operates seamlessly, behind the scenes, so you can stay focused on enjoying the ride.

GLIDE EFFORTLESSLY

Through advanced software and engineering, Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.² Fully automatic Intelligent all-wheel drive (AWD)¹ also adjusts torque as needed – typically before wheelslip can even occur – to help Lincoln MKX perform at its best in various conditions.

CORNER CONFIDENTLY

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

TECHNOLOGIES
HELP
SIMPLIFY
YOUR DAY

ADAPTIVE CRUISE CONTROL^{1,2} – Certain driving situations can get tedious. When highway cruising, this system is designed to eliminate the need for constant adjustments. You simply set the speed, and the system can adjust to maintain your choice of 4 preset gaps from the vehicle in front of you.

AUTO HOLD¹ – You don't need to hold down the brake pedal for long stoplights or extended waits in Lincoln MKX. Just activate Auto Hold, then come to a complete stop. Even on a hill, the system can hold the vehicle in place until you press the accelerator.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT^{1,2} – Some vehicles may be out of your line of sight, but they can be detected by this technology. It warns you if it detects a vehicle in your blind spots while driving forward, or approaching from the sides while in Reverse.

LANE-KEEPING SYSTEM^{1,2} – If you start to drift out of your lane, this technology can help alert you. Using a forward-facing camera to detect road lane markings, the system can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane.³ If it detects that you've crossed the line repeatedly, it can prompt the Driver Alert System^{1,2} to chime and display a coffee cup image to remind you that it's break time.

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION^{1,2} – Using camera and radar technology, the system can scan the road for other vehicles and pedestrians ahead of you. If a potential collision is detected, it can alert you and, if needed, help provide full responsiveness when you brake. If the system determines a collision is imminent, Active Braking may automatically apply full braking.⁴

ENHANCED ACTIVE PARK ASSIST^{1,2} – For help parallel parking or backing into a perpendicular spot, simply activate this system. It uses ultrasonic sensors to help you locate an appropriate space, then steers the vehicle into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. It can steer out of parallel spots, too. For more help with maneuvering, the Forward² and Reverse Sensing Systems¹ can alert you to objects near the front or rear of your vehicle. Plus, a rear view camera¹ is standard on every Lincoln MKX.

THE LINCOLN WAY™ APP⁵ AND LINCOLN CONNECT™⁶ – Together, they provide effortless control of your mobility. Simply download the app to your mobile device, then use it to start your vehicle remotely, schedule a recurring daily or weekly start time, locate your vehicle, remotely lock or unlock its doors and more. The app is also an easy way to reach our Lincoln Concierge team. They're always ready to assist you with personalized vehicle solutions, roadside assistance and more.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature. ³Lane-Keeping System does not control steering. ⁴Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ⁵The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁶Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 1 on "Your 2018 Lincoln MKX Standard Features" page, and your Lincoln Dealer for details.

ATTENTION TO DETAIL STANDS OUT

From its eye-catching Lincoln Star that lifts to reveal the front lens of a 360-Degree Camera¹ when needed, then discreetly hides it away again. To its power panoramic Vista Roof^{®1} offering every passenger incredible skyward views. To the tailored look of the precisely stitched seating, as well as the padded dashboard, door trim and center console lid. And all the way down to the LED signature lighting beneath its HID headlamps, the 2018 Lincoln MKX is elegantly designed to turn heads.

¹Available feature.

EXPERIENCE THE LINCOLN WAY

A unique range of services designed
to make Lincoln ownership effortless

LINCOLN *PICKUP & DELIVERY*

AN EFFORTLESS DOOR-TO-DOOR EXPERIENCE

We know your time is valuable. That's why we designed Lincoln Pickup & Delivery¹ to help you move seamlessly through life. We'll pick up your vehicle when it's time for service, and bring it back to you when the work is complete. In between, we'll also provide a complimentary Lincoln loaner¹ – so your time remains distinctly yours.

You specify the time and location, and we do everything else. With convenient texts or emails, we'll keep you informed about your vehicle and provide timely updates. To complete the experience, we'll deliver your Lincoln back to you serviced, washed and ready for your next journey. When it comes to owning a Lincoln, we make it simple.

- ◆ Schedule a day, time and location for pickup of your Lincoln
- ◆ We'll pick up your vehicle and provide you with a Lincoln loaner
- ◆ We'll deliver your Lincoln back to you, serviced and washed

THE LINCOLN WAY™ APP²

Download the app to your mobile device to enjoy the flexibility and convenience of connecting with Lincoln services and features from wherever life takes you. The app makes it easy to schedule Pickup & Delivery. Find fuel and compare prices. Find, reserve and pre-pay for parking in select cities. Call or chat one-on-one with a Lincoln Concierge anytime. Securely manage your Lincoln Automotive Financial Services account, and more.

LINCOLN CONCIERGE

Always available to answer vehicle questions, help you with roadside assistance³ and beyond – 24 hours a day, 7 days a week.

LINCOLN EXPERIENCE CENTERS

Exclusive events, vehicle demonstrations and curated experiences await you in select cities.

¹Lincoln Pickup & Delivery is valid for owners of 2017 and newer model-year Lincoln vehicles. Service available for retail and warranty repairs. Mileage limitations may apply. Lincoln reserves the right to change program at any time without obligation. See dealer for details. ²The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ³Lincoln Roadside Assistance services 24/7 for as long as you own the vehicle – all at no charge. See your owner's manual for complete details.

Contact your Lincoln Dealer for details and/or a copy of all limited warranties. ¹Lincoln Licensed Accessory. ²Consult owner's manual for details on roof-rack load limits.

ENJOY THE LUXURY OF PEACE OF MIND

LINCOLN PROTECT™ EXTENDED SERVICE PLANS

Insist on genuine Lincoln Protect extended service plans, whether you purchase or lease your Lincoln vehicle. Lincoln Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Lincoln and honored at all Lincoln dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Lincoln Protect extended service plans.

ROADSIDE ASSISTANCE FOR LIFE

We'll be there for you as long as you own your Lincoln – with 24-hour/7-day-a-week assistance nationwide.¹

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Whether you decide to purchase or lease, you'll find a plan designed to fit your individual needs. Visit LincolnAFS.com or your Lincoln Showroom to explore your financing options.

BUMPER-TO-BUMPER WARRANTY

Be assured that your Lincoln is covered for 4 years/50,000 miles.²

LUXURY VALIDATION

In order to provide a highly refined ownership experience, the Lincoln Luxury Validation Center meticulously inspects the materials, craftsmanship, fit and finish, and function of each Lincoln MKX that leaves our manufacturing facility. This process ensures that it meets Lincoln standards in every way, before you see that it meets yours.
